

## Parental & Player Consent

1. I understand that fast pitch softball has inherent risks to players and spectators and agree that the Stillwater Area Fastpitch Association aka (SAFA) is not liable for injuries resulting from my child's or my participation in the fastpitch program.
2. I hereby consent that my daughter may be interviewed about and/or photographed at fast pitch activities by the Stillwater Fast pitch organization, or approved media partners. I understand that resulting photographs, writing, artwork, audio, or video may be used for any purposes by the Stillwater Fast pitch Organization or its approved media partners. Furthermore, I hereby consent that such material shall be the property of the organization or its approved media partners, the organization or its approved media partner shall have the right to sell, duplicate, reproduce, and make other uses of such material free and clear of any claim whatsoever on the SAFA part.
3. It is expected that all families register their player in the correct age level they are eligible to play in. Any misrepresentation of player's age or grade is subject to disciplinary action by the SAFA executive board.
4. Families will need to turn in a copy of their player/s birth certificate with this school years current picture copied onto the face. Birth certificates with outdated photos will not be accepted. Copies must be turned in to your player's Age Level Coordinator prior to tryouts or the player will be unable to tryout.
5. Parents volunteering helps SAFA keep the cost of the program down. Every family is required to complete the volunteer buyout registration prior to tryouts. Upon completion of **SAFA approved volunteer opportunities** this buyout will be cancelled. A list of volunteer opportunities and signup are located on the SAFA website.
6. Due to the necessity for early equipment and uniform orders, payment of team entry fees and other preseason budgetary obligations, **all registration and fundraising fees will be nonrefundable to those who qualify for and are placed on a team.** Under extenuating circumstances, to be determined by the Executive Board, a 30% administrative fee may be withheld from the registration fee for those individuals who drop any Association sponsored program prior to completion of the tryout process or clinic start date.
7. I am familiar with and have reviewed the Stillwater Area Fastpitch Association Bylaws and Rules and Regulations located on the SAFA website.
