

FYBA Board Meeting Agenda & Minutes

Sunday, October 6, 2024 – 7:30pm

- Tiger Classic Updates
 - Boys
 - 197 teams signed up at the time, needed 3 more to be full.
 - Talked about potentially increasing the number of teams if we had more communities inquiring about joining.
 - Girls
 - Little worry about the low number, but Joe/Pete seemed to think it was similar to where we were at this time last year.
 - Revisiting the Girls Tiger Classic at the November meeting
 - Can we do it in one day?
 - Do we scrap the tournament all together?
 - Talked about Tiger Classic “coupons” replacing the candy given to the refs after each game (for them to hand out)
 - Coupons would be able to be brought up the concession stand for the players to choose the candy they would like.
 - Concessions going to limit which candy options the players can choose from however.
 - Need 2 per game, approximately 800 total (Boys Tournament)
- Coaches Meetings
 - Talked about the upcoming coaches meeting.
 - Boys meeting on 10/8 in lecture hall. Scott, Brandon and Coach Johnson all scheduled to talk.
 - Slide how on information will be shown to coaches.
 - Brandon going to go over drills and where to get coaching info with the coaches.
 - Girls coaches meeting to take place in the gym. Aaron and Coach Carpentier to go over their plan.
- Traveling Teams Updates
 - Tryout committee has not heard from anyone else in over a week.
 - DIBs
 - Amy was going to figure out who we were missing check from. Believe that we received most of the checks.
 - Players can't practice/play in the tournaments if DIBs check not turned in.
 - A couple board members were handed DIBs checks by parents (going to get them to Amy)
 - Liaisons

FYBA Board Meeting Agenda & Minutes

Sunday, October 6, 2024 – 7:30pm

- Scott J and Aaron were going to assign liaisons for each team and get the information out to the board members.
- Scott No Boys teams and Aaron No Girls teams. Duellman to take boys 8 white and silver.
- Potential 3rd Grade Tournament
 - Mark brought up idea of possibly hosting a 3rd grade tournament hosted by MYAS
 - \$100 per team would most likely just over our facilities cost
 - Really our only source of fundraising income would come from concessions.
 - Was going to be hard to find volunteers to work the extra weekend, especially if families had basketball tournaments in other locations. A good majority of the volunteer hours would probably have to be done by board members.
 - Going to possibly revisit next year, but ultimately decided to pass this season.
- Round Table
 - Idea brought up to have Rec parents complete DIBs next season as well.
 - Especially for Rec tournaments
 - Going to talk more about it in the summer before next season
- Adjourned
 - 8:38pm
- Next Meeting
 - Sunday November 3rd – 7:30 pm
 - Location - TBD
