

## August Board Meeting Agenda

Tuesday, August 6, 2023 – 8:00 pm

### LongBranch or Teams

1. Brian Ammann – MSB: have been working with Farmington for 15 years, prices have stayed the same. Introduce fundamentals and how to shoot the basketball. Be a resource for athletes as they mature through their basketball career. Will always offer a free coaches clinic, 60-65 minutes, will help the process throughout the season. Want coaches there for skills nights. *Q: what are we working on for 6<sup>th</sup> grade and older, after they've been working on fundamentals 3-5<sup>th</sup> grade. A: will add in some more foot work, but still won't add in spin moves/behind the back, fancy moves. Fundamentals take years and focusing on shooting form is essential.* Basic shooting mechanics is core, then it's all just additional footwork. Will only resonate with repetition. The kids that are good can fight through the boredom and repetition. *Q: when do you need commitments? A: by the end of this month. Currently advertising out to the end of September.* Rosemount is bringing 7-8<sup>th</sup> graders in on Saturdays 9-12 to rework basic shooting & foot work.

- Would like to get feedback on Danny Makepeace.

2. Uniform Update – More lightweight. Process will be the same, names from tryouts need to be sent over to Nikki so she can get a move on from there. \$115

3. Financial Update – Ended the fiscal year (7/1) ~\$95k, chance to invest in the program. Mark proposes budgeting \$34k towards uniforms, parent contribution of \$25, so the association will net \$27k.
