- **SYBA Tournament Learnings**

The board discussed learnings from this year's Shakopee Tournament. Feel that there is a need for having/renting more golf carts, with the potential for sponsorship or donation to help offset the cost. Should add a couple more people to the grounds crew prep for Friday before the start of the tourney, usually there are 4 people but feel like we could move to 6 people. All we need to purchase new cash boxes.

- **2024 Schedule (Shako Tourney Dates/Tryout Dates)**

The Board discussed potential dates for tryouts, and will schedule them for Friday March 22nd and Saturday March 23rd

Also the Board discussed the dates for the next year's Shakopee Tournament, and finalized on June 22nd-24th

Additionally there was a discussion on January and February Workouts, reducing the number of workouts in January, because there was very little attendance due to winter

sports. Also the board will need to connect with the new Varsity Head Coach to see if they will be doing camps similar to what Tom did in the past.

- **Annual/Year End Meeting Prep**

The annual meeting will be August 21st at the Legion, there was a discussion about the board members that have terms expiring.

- **Evaluation/Team Selection Process**

Shane: a lot of questions on the process, pre-tryout evaluations (check how much should be in the minutes).....potential to rotate the time slots for those pre-tryouts, there will be additional discussions closer to the beginning of the calendar year. Kickoff meeting and jersey tryout date tentatively Sunday February 4th

- **Mite Jamboree**

Dan Woodall provided an update to the board on the Mite Jamboree. This coming Saturday 9:30-2:30 at Tahpah. Each team will get 3 games. Bravas and Kona Ice are coming in with their trucks, there will also be a small concession run. Year End party will be held at The Bowl

- **New Varsity Coach**

Aaron will reach out to the AD to see if there is an opportunity to be a part of the process, and if there is the SYBA Board would like to be informed and a part of it.

- **15-18's Future Plan**

Having a conversation with the Club groups and partner on protecting tournaments especially at the end of the year with the district and state tournaments. We will continue to have discussions on how to handle Jr Legion/Sr Legion and how they work with Club Teams in the future.

- **Year End Survey**

This will need to get out potentially this week or early next week for both travel and in-house. We need to communicate that only one email address can be used, so if two players in the association then one parent needs to do one player and the other parent needs to do the other player. Board discussed the questions from previous surveys and also any questions that need to be added or taken out from the survey.

- **Fall Ball**

Discussion on what to do for fall ball this year. We will do free fall ball for 7-9, we will order more signs to put up around the city to advertise this free fall ball

Meeting Adjourned at 9:20pm

Next Meeting Date: Monday August 21st 6:00PM at THE LEGION
