FYI

- **Jackson Field Quote**

Rob received a quote from Doebling to spray and mow the field at Jackson Township (this was done last year), and the board voted unanimously to move forward with Doebling for the 2025 season.

- **Shakopee Dollars for Scholars**

\$1,000 approved unanimously by the board to donate to Dollars for Scholars, this is a program that the SYBA Board has annually contributed to.

- **Number of Teams at Each Level/Registration Update**

- 3 teams at 9s?

There are currently 31 9 year olds signed up for traveling, the board discussed the possibility of having 3 teams, believe there may be a few more 9 years to sign up. The Board held a discussion on if there are enough players to get to 3 teams we would do it, and if we do not get enough sign ups the board would inquire with players that are signed up currently to play in-house to see if they want to switch to traveling and try out.

- **Finalize Tryout Schedule (Logistics/Coverage etc.)** Aaron discussed the schedule and logistics for tryouts next week. The Board went through each day and location, as well as what is being

evaluated each day and board coverage. This has been discussed in previous meetings, the board did a final run through to ensure everyone had the final schedule and location of where they will be.

- **Umpire Needs**

Brent discussed this topic. MBL would like to go to two umpires for 90 foot base fields (14s and 15s), it is not required. The board decided to continue to utilize only one umpire, as this would be a deviation from what the 9th grade and B-squads (the majority of 14s/15s) teams at the High School level are using.

- **9U and 10U teams assigned to Varsity home games**

- Each player will be introduced with a varsity starter and run onto the field in uniform
- I am coordinating between Coach Schmitz, Boosters and SYBA
- 7:00 games only
- Any ideas to make 4:30 games work?

Ryan discussed this topic, 5 of the 6 games in May (assuming 5 teams between the two levels), the 9s and 10s (individual teams) will be assigned to the Varsity home games, be introduced. Ryan will work on the schedule once the teams are finalized.

- **Community League/In-House Evals April 12th**

- East Middle School
- 12-3pm
- 5 people needed (from the Board)
  - i 1 check in players
  - ii 2 run skill stations
  - iii 2 evaluate players

The Board discussed this topic, with a finalized date for evaluations. The Board work via email on scheduling and responsibilities for board members.

- **Travel Uniforms**

Goal is to place order Monday 3/24. Jersey lead time is 4-5 weeks. Earliest start games is 4/28

- **SYBA Shirts**

Shirts will go to all Travel, In House, Community players. Ryan will order. Handout will be May 1<sup>st</sup> (potential for a second date)

- **Coaches Hats, shirts, shorts**

Ryan will create a Google sheet for Travel Directors to send out to coaches to select sizes (most likely will be taken care of by the travel meeting). Ryan will be ordering 3% extra and sell leftovers at tournament and jamboree

- **Update on the Shakopee Tournament**

Dan went through the levels and where we were at with registrations (only need 2 teams at 11AAA to be completely full). Discussion on fields and ensuring they are all confirmed. We were able to get two additional concession coordinators (3 total)
