- **14AAA head coach**

Aaron discussed the 14AAA Head Coach, with Gary Schleper retiring (who had the position for the previous 15 years), should we hire another non-parent head coach for that 14AAA team. The position would be paid same amount that Gary was paid, as well as the parents of the players on that team would contribute an additional \$100/player. The board voted unanimously to approve to keep it a paid position and to start the search for the coach.

Once there is/are potential coach/s the travel directors will bring to the board for final approval

- **Tryouts fielding at Mash/ Tryout Schedule**

Shane Hofmann discussed this topic. Friday of the tryout weekend we have the opportunity to utilize the field at the MASH Facility. Saturday would all hitting (with additional fielding if need be), and baserunning/agility.

- **Tryout Process**

Pitching and Catching as a evaluation process (this has been done in the past as part of the coaches selection process on the last day of the tryouts, but the discussion involved bringing it in as part of the scoring process). The hitting evaluation process was also discussed. A discussion on how the process has been done in the past and potential changes for future will continue in future meetings. For tonight the only decision was utilizing the MASH facility for Friday of tryouts

- **In-house survey results – Jim & Butter**

Jim Malone and Jason Mousel brought the board through the in-house survey results, through each section that was asked of the in-house parents. Similar to the Travel survey results, the board discussed the positive as well as the negative within each section.

- **At-large board positions – Tyler Menden as assistant equipment coordinator - Sarah Leuthardt as fundraising/sponsorship coordinator**

Shane has nominated Tyler Menden to be the assistant equipment coordinator to shadow Eric Schroeder to the field, as this is Eric's last year on the board and the equipment coordinator is a large responsibility.

Rob, Shane, and Sarah were on a call with SnapRaise, an email or text campaign asking for donations. This is done in other sports/associations. Discussion was had about the potential to utilize this service in the future as a fundraiser. There is potential for this company to come to a future board meeting to discuss. Other fundraising ideas/options, raffles at different event (silent auctions), and other additional options to raise more funds for the association. Sponsorships for the Shakopee Tournament (overall tournament and field sponsors) and potentially for teams.

The group will be re-doing and redesigning the sponsorship package (will be discussed at future meetings).

- **Social media goals? Is it just to inform parents? - Or find a way to connect to kids on other platforms?**
