- Ian is interested in coaching

Bolts:

- Needs more interest for summer to possibly do u12 and u14.
- Possible table Bolts team till closer to registration or skip a summer

Sponsorship:

- Touched on that when we went over the HS proposal

Fundraising:

- Meeting was just Katie and Shelby will circle back when maybe more people register

Recruitment:

- Girl only try-its could possibly draw in more girls
- Maybe a back to back try its girls only then co-ed
- Registration is open
- Logan middle week long try it,
 - Will need 60 sets of gear
 - Could we possibly donate some sticks and balls to do a lacrosse unit

Hopefully it will help be able to reach out to other schools in the area.

Maybe making a flyer for upcoming try it's to put in the elementary school folders.

New Business:

- Website has been switched over and is live with crossbar.
- Register by Jan 15th to be entered
- Apparel is ready
- Coaching clinic grants possibly

Old Business:

- High school proposal future
 - High school booster club (not in attendance)
 - Are they tapping into all the high school boosters that are available to them?
 - Sponsorship and fundraising will be two different things, sponsorships will be shared for now between lala and hs, fundraising (raffle) will be two separate groups
 - Need clarification on using school names vs LALA example for brat barns and restaurants if there is a limit of time that it can be done.

- Can still work together on games and volunteering at games and such
- Rental equipment would like to be bought out we don't want that responsibility
- Park practices we would need an agreement that when youth is there the field needs to be actually shared 50/50 as there were issues last year.
- HS team should have one or two people appointed for making requests just so it's more organized and streamlined
- This proposal is for 1 year and we will circle back at the end December 2026 but long-term HS working towards their own entity.
- Board would like to know who "they"/"group" are exactly to enter into an agreement with as there are new members.
