With three wins, contributions from throughout the lineup, and several players getting their first taste of travel hockey, the Stars are off to an exciting start to the season.

September 26: The Stars competed in their first CBHL Preseason Jamboree. The team battled through the day with just 6 skaters, including 4 making their travel hockey debut.

Despite the short bench, the team competed hard and gained valuable experience together. Goaltender Annamarie Kelley had an impressive day in net, recording 68 saves. Off the ice, the team had just as much fun with plenty of locker room shenanigans and a team lunch after the games.

October 4: The Stars faced the Easton Icehawks in an exciting back-and-forth matchup that came down to the final minutes. The Stars came away with a 6–5 win, improving to 2–0 in regular-season play. Shelton scored four goals, while Wilson and Paxton Danielson each added a goal. Kelley turned away 32 shots, and Mats McCormick and Stanley Yan provided strong defensive play throughout the game.

September 27: The Stars returned to the ice for their home opener against the Reston Raiders and earned a 15–2 win. The offense was spread throughout the lineup

with 8 different players finding the back of the net. Robert Shelton led the scoring with 6 goals, while Mack Wilson added 2 goals and 2 assists and Wesley Wronka added 2 goals. It was also a memorable day for Harrison Olean, Stanley Yan, and Michael Novack, who each scored their first career travel hockey goal. Kelley recorded another 20 saves in net to help secure the team's first win of the season.

October 10: The Stars faced the Howard Huskies in another back-and-forth game. After falling behind 3–2, the Stars battled back to earn a 5–3 victory. Wilson led the offense with two goals and two assists, while Shelton added two goals and one assist. Danielson also scored a goal. Harrison Olean had a great game up and down the ice, contributing strong all-around play, while Kelley made an impressive 52 saves in net.

vs. Delaware Ducks in Exhibition Matchup

The 12UB Stars faced the Delaware Ducks in a competitive exhibition game, coming up just short in a 2–1 loss. Townsend Begg delivered a great performance between the pipes, helping keep the Stars within striking distance throughout the matchup.

Stars 8, Easton 1

The team had a decisive 8-1 victory against the Ice Hawks. The Stars controlled the flow of play, dominating the shot count 38 to 9. In the crease, Wes came up big with great stops when called upon, limiting the Ice Hawks to just a single goal. Out on the ice, Leo Gyorfy engineered the offense as a great playmaker, while Jude Hunt consistently went the extra effort to win battles and drive momentum. Capping off the team effort, Eli Vincent put on a finishing clinic, capitalizing on every scoring chance in the offensive zone.

Stars 3, Fredrick 2

The team wrapped up a grueling doubleheader traveling out to Skate Frederick after their earlier game against Easton to face the Frederick Freeze. Running on depleted energy after the trek, the squad pushed through heavy legs to earn a hard-fought 3-2 victory. Driven by the team mantra to "finish this," Ryan Gorra set the tempo and kept everyone completely engaged down the stretch. Defensively, Jacob (JP) Cutitta provided crucial protections to shut down opposing threats, while Cooper Nace anchored the effort with unselfish, physical play all over the ice.

Stars 2, Howard 5

Dropping a 2-5 decision against Howard Huskies 11U Upper A, the team learned a valuable lesson about staying true to our structure against a strong, fast opponent. Moving away from disciplined passing and clean breakouts proved costly, providing a great learning experience for the squad as we continue to grow.

Stars 5, Montgomery 7

Facing a formidable Montgomery squad, the Stars fell behind early but never gave up, showing tremendous heart and resilience. Wes stood strong in net as the team improved over time with relentless forward pressure and sharp breakouts. On the blue line, Jackson, Jack, Cooper, and James defended hard and fueled the rush. Leo Gyorfy set the tempo all game, earning every bit of a hard-fought hat trick by moving the puck and always finding it back on his stick.
