Montgomery Ice Devils | 7-2 L

The Stars battled a strong, physical Montgomery Ice Devils team and, despite the 7-2 result, continued to show something the coaches have seen all season: these kids have heart, and they don't give up. Playing with only two lines require everyone to keep competing and working for the full game. The Stars still generated 32 shots on goal. The kids are learning how to be better players, better teammates, and better young athletes. The effort is there, and they will keep learning, growing, and playing for each other.

Chevy Chase | 6-4 L

The Stars took control early, jumping out to a 2-0 lead against a strong Chevy Chase team. After losing a bit of focus in the second and falling behind 4-2, the Stars responded with a strong third period, scoring twice to tie the game at 4-4. Chevy Chase ultimately answered with two late goals for the 6-4 win. As the coaches put it:"We took control of the game early, lost a bit of focus in the second, then admirably played a strong catch-up game and tied it in the third." It was another example of this team's fight and ability to keep competing.
