Hello! My name is Christina Choi. With two children actively involved in hockey, I can bring both a parent's passion and a professional's expertise to the organization. I work at a Big 4 accounting firm and have over 15 years of experience where I've developed strong skills in organization and strategic planning—tools I look forward to applying in my role to support the Junior Aeros' growth and success.

Originally from California and New York, I have embraced Houston as home and am enthusiastic about giving back to the community through youth sports. I am eager to contribute my organizational skills, energy, and commitment to help strengthen the Houston Junior Aeros program and ensure a positive experience for all players and families.

Over the past year, I have had the opportunity to serve as Secretary on the JA Board, manage our social media accounts, and assist with Tryouts, Spring Clinics, and other organization events. I have enjoyed being more involved with JA and supporting our players, families, and volunteers. I would be grateful for the opportunity to continue serving as Secretary for another year and contributing to the continued growth and success of our organization.

Thank you,
Christina Choi
