President's Report - Zach Woods

Front Bathrooms and Kitchen was rodded and fixed. Replaced flushometer on the bathroom across from concessions. Rear Bathrooms were rodded and fixed as well. Replaced all flushometers back there as well. All toilets in building are flushing properly.

Butte Silver Bow came down and fixed the sewer main in the back. Should be good to go now.

There is a break in the sewer vent pipe in the zam pit. Not going to cause any issues right now. Once season is over, we can get it vacuumed out and replace the broken piping.

Tournament was successful this past week-. There was a lot of great feedback about the apparel. I suggest that we continue to use moonshot athletics for tournament apparel moving forward.

Club Apparel- will be going on sale next week(or sooner). Will have a link posted to our site.

Our rink phone number has been updated online and with the county. Been getting a couple calls here and there from it.
