**TWIN CITIES
ORTHOPEDICS**

DEAR CRIMSON FAMILIES AND FRIENDS,

It's finally here! The end of summer and the beginning of fall can only mean one thing: the best time of the year, the start of football season!

2025 was an incredible season, and we were able to extend our winning streak to 23 games. By any measure, it was a very successful season, and while it most certainly was, it still ended a couple of weeks too early. That abrupt ending left a sting that lasted for a while throughout our Crimson family. At the same time, that sting helped provide additional fuel and motivation as we prepared for this season.

This offseason was one that our players and coaches will never forget. From late December through March, our weight room was located underneath the bleachers here at the stadium. The winter conditions created their own adversity, with cold hands and shivering walks back into the school. I firmly believe that experiencing that adversity together helped build a stronger sense of brotherhood among our guys. They knew what they were enduring, and more importantly, they endured it together.

Then came the rainy day when our players spent the day moving all of the equipment into our brand-new weight room. Since then, there has been no looking back.

I am so thankful to everyone who helped make this weight room a reality for our athletes at Maple Grove. These students understand the opportunity they have in front of them, and they have been working hard every day to become better versions of themselves. We are truly blessed.

I am extremely excited about the 2026 team. We have an awesome blend of talent spread across all four grades, and we continue to see excitement building throughout our youth program. The summer workouts, team camp at Bemidji State, and youth camp were some of the highlights of the summer.

COACH SPURRELL

As a staff, we are excited to watch these young men gain experience, compete at a high level, build confidence, and learn to overcome adversity—all while doing it in front of rocking crowds at our amazing facility.

We will continue to use our three mantras because each one means something slightly different. Together, however, they represent the meaning of Crimson Football.

Fear The Leaf – We want our opponents to believe that they have to play a perfect game in order to defeat us. That mindset puts undue pressure on our opponent and allows us to play with confidence.

Leave No Doubt – We want to compete at such a high level that we can defeat our opponent and make it look like there was never a doubt about the outcome.

Find A Way – The game of football, like life, is never easy. Sometimes obstacles get in the way, and things don't always go according to plan. That will never be an excuse for why we can't accomplish what we set out to do. We will always Find A Way.

This season will fly by, as they always seem to do, so please do not miss it. Enjoy every minute. Become immersed in the program. Take pride in representing what it means to be a Crimson.

I love this program, this school, and this community. Maple Grove Football is a joy to be a part of, and I want that same experience for all of you.

Thank you for your continued support of our players, our coaches, and our program.

Go Crimson!

- Coach Spurrell

OCT 14	VS		WAYZATA SENIOR NIGHT
OCT 23	@		MINNETONKA

GREETINGS, CRIMSON FAMILIES!

It is my honor to welcome you to the 31st season of Crimson football! With a core of returning seniors and a significant number of rising underclassmen, Coach Adam Spurrell and his staff are ready to lead our program to another successful season! The sudden end to the 2025 campaign is fresh in mind,

and has served as great motivation for a strong off-season. Utilizing a new weightroom facility – thanks in large part to our Crimson Football Boosters – the off season was rich with hard work, preparation, and dedication. Thus, the expectations for 2026 are clear: They aim to achieve greatness while strengthening the tradition of excellence that is Maple Grove Crimson Football.

Everyone has their reason – their “why.” Perhaps it is being part of a team – dedicating to something bigger than oneself. Maybe the grinding, yet rewarding, process of working together and pushing one another through competition with toughness and discipline. It could be in honor of loved ones – family, coaches, and community members. This much is certain: each member of Crimson Football has their “why,” and the 31st season of Crimson football has all the signs of something very special.

At Maple Grove Senior High, we teach, model, and reinforce for our students The Crimson Way: Motivation, Gratitude, Scholarship, and Honor. It is no coincidence that these practices are also embedded within the game of football. Through commitment to a team one can learn the values of trust, hard work, selflessness, character, responsibility, perseverance, and more. Football truly is a unique opportunity for our differences to be molded into unity, where a collection of students dedicated to a common goal can unite behind that purpose and embrace one another as brothers.

The strongest of bonds are forged through adversity and love abounds to overcome that which divides us. So it is with Maple Grove Crimson football, and I thank each and every player, coach and family for giving of yourselves for a common purpose which can make us all better.

Thank you to our community members, business leaders, and MGYFA for your tremendous support and generosity. There is a direct correlation between the strength and positive attributes of our football program with the overall spirit of our school. Without your support, this would not be possible.

After the conclusion of every game, please stay and watch our players shake hands and greet their opponents with class, and then return to our stands to sing the “Crimson Fight Song.” It is a moving display of gratitude, appreciation, and unity, and it is a great example of what makes our program special.

So, the 31st season of Crimson Football is here, and we could not be more excited! For everyone here at Maple Grove Senior High, I sincerely thank you for your support.

GO CRIMSON!

BOOSTER CLUB

2026

The Crimson Football Booster Club is a non-profit organization providing benefits to the Maple Grove Senior High School football program, which supports more than 200 student athletes each year. Building and maintaining a championship team, while also financing the scoreboard project that benefits all Maple Grove Senior High students and the community, requires financial support from donors. Your donations, which are tax-deductible, provide the following services to support the entire Maple Grove Crimson football program.

This includes:

- Uniforms and equipment
- Concussion testing for athletes
- Additional coaches and coach training
- Updated technology (i.e. new video scoreboard, cameras & Live Stream equipment)

Please consider giving to our organization and check with your employer as they may have a matching grant program. You can give via our business Venmo account (@Crimson-Football; please state '2024 Donation' in the notes) or you can give via our web site here crimsonfootball.org. Thank you for supporting Crimson Football!

MAPLE GROVE YOUTH FOOTBALL

Dave Malenke Youth Football Night

Dave Malenke Youth Football Night is named in honor and remembrance of one of the most influential members of the Maple Grove Football community - David Dale Malenke - who passed away in March of 2021.

Dave helped establish Maple Grove Youth Football in 2011 and spent the next decade volunteering endless hours as a coach, board member and mentor for both the youth program and Maple Grove Senior High School football. Dave was a man of action and integrity; he lived an exemplary life of servant leadership, and his spirit of service above self remains a cornerstone of MGYFA's existence. While Dave's impact on football in our community cannot be overstated, his best trait was being a kind and loyal friend to all.

As well, the David Malenke Servant Leader Scholarship was established in his honor, and will benefit a graduating Maple Grove High School football player who best exemplifies the character traits most important to Dave during his life. More details about this scholarship are available at <https://yfb.mgyfa.com/malenkescholarship>.
