Now... the fun part

The time has come... WE'RE HOME!

After countless conversations, meetings, plans, and an incredible amount of teamwork, we are so excited to welcome our Northfield Hockey Association family and friends to the NEW Hasse Ryt-Way Arena!

Home Ice: An NHA Homecoming

This arena started with a NEED. It grew into a VISION. And through TEAMWORK, determination, and community, that vision has become our reality. This is more than a new rink. It's a new home for our hockey family — a place where memories will be made, friendships will grow, athletes will learn, and generations of hockey players will take the ice.

A **TREMENDOUS** thank you to the **City of Northfield, City of Dundas, Northfield Public Schools, and Northfield Hockey Association** for their vision, partnership, and commitment to making this our new home.

Join Us for Our NHA Homecoming!

Come celebrate this exciting milestone with us on:

Wednesday, September 9

5:00–7:00 PM

Hasse Ryt-Way Arena

[1900 Cannon Rd, Northfield, MN 55057](#)

5:00 PM — Doors Open

5:15 PM — Welcome, thank-yous & brief remarks begin (in the stands)

5:30-7:00 PM — Open House & Open Skate

If you're planning to arrive at 5:00, please make your way to the stands first. We'll test out the NEW PA system, share a few words and thank those who helped make this possible, then give directions for athletes to access the ice.

The remainder of the evening will be open-house style, so come when you can and stay as long as you'd like! The ice will remain open until 7:00 PM.

A Few Details for Our Athletes

Athletes planning to skate? Please bring:

- **Skates**
- **Helmet**

No pads or sticks, please. This is a fun, informal opportunity for our hockey family to get on the ice and experience our new home for the first time.

COACHES! We need YOU! Please plan to lace up and bring your helmets to join our athletes on the ice. ***We respectfully ask that all other adults remain off the ice to allow for a safe experience for all. Safety is our priority.***

Can't Make It September 9th?

No worries — you'll have another opportunity to celebrate! The City of Northfield's official Grand Opening of Hasse Ryt-Way Arena will take place on Wednesday, September 16th.

We'd love to see our NHA families there as well as the community comes together to officially celebrate this incredible new facility. *See the City website and social media for more details regarding this event.*

Whether you join us September 9, September 16, or both, we are so excited to finally say...

Welcome home, NHA!

Here's to a new rink, a new chapter, and many, MANY years of memories to come.

We'll see you at the rink!

Have a great evening and safe holiday weekend!
