

Good afternoon NHA Families-

We hope everyone has had a great week! Below are a couple of updates and reminders as we get into the 2026-2027 Season.

Mouthguard Clinic:

Tomorrow – September 19th at MN Ortho from 9:00 am – 12:00 pm

Boys and Girls Pre-Season Clinics *start this Sunday (for girls) and Tuesday (for boys) – reminder that these are being ran by the Boys and Girls High School Hockey Programs (previous communications sent can be found [here](#)).*

The above clinics are on the calendar as practices with a note stating that these are pre-season camps. There are costs to these camps as they are being run outside of NHA, if attending please be sure to register and send payment accordingly per each camp.

Speaking of calendars....

How to find the current calendar for upcoming practices prior to team placement:

NOTE: Until your player is rostered on a team post-tryouts, you will NOT be able to see downloaded calendars on your personal calendar. Until players are rostered, you MUST view the schedule through the website by clicking on "Schedule" and choosing the "Club" option. You can also go to the "Teams" tab and choose any level (ie: Peewee A/B/C for a Peewee player) and click on "Schedule" to view all practice times.

- 1. Ensure you are logged in to your account, then click "Family Calendar" at the top left of the site.*
- 2. From there, you can click on "Calendar Feed" in the top right corner.*
- 3. You can then select the player you would like to sync and the option to sync all events or just games.*
- 4. Choose which preferred calendar you would like the information downloaded.*

Equipment Reminders:

Rental Equipment Fitting/return is Sunday 9/20 and 10/1 from 5-7pm at Hasse Ryt-Way Arena west doors.

Boys squirt and peewee jersey orders are due 9/20 for those that are new or have outgrown their game jerseys.
