New Fundraising Opportunity:

We're excited to introduce a **new fundraising opportunity for Northfield Hockey families — RaiseRight!**

RaiseRight lets you earn money **toward your family's hockey registration** simply by changing *how* you pay for things you're already buying.

Buying groceries? Getting gas? Ordering from Amazon? Going out to eat? Instead of paying directly, purchase a gift card through RaiseRight, use it to pay, and a percentage comes back toward your hockey registration.

No selling. No inventory. No extra stuff to buy. You shop. You earn.

And it's not just for parents — grandparents, relatives, and other supporters can participate and have their earnings credited to your family too!

The attached flyer walks you through exactly how RaiseRight works, how earnings are applied, and how to get started.

NHA Enrollment Code: PWK9DPTQ9MYG or use the QR code on the attached flyer

You can start earning anytime, so take a look at the attached information and start turning those everyday purchases into hockey savings!

Questions? I'm always happy to help.
