Hockey Director Updates – Jack

- Gargoyles Partnership Updates
 - Gargoyles will be making a portal so tickets can be purchased through us. We need to sell 350 tickets. Will send flyer so parents can purchase tickets by end of the week. Will open to W-S and Stars.
 - Youth sizes have been added to online store. Jack has a link to review items that can be added and plans to have 4-5 pages of options to select from.
- The preseason clinic and Sunday skills sessions are ending. Will try to do Sunday skills every year – it was successful. Had 30 kids and 10 goalies in clinic.
- Training Facility Update

Waivers have been signed and almost all teams have been using the facility; gym is 100% functional for teams. There is a google sheet for scheduling but looking for better scheduling tool. Plan to send a thank you to John Quackenbush. Chairs added in front room for parents.
- Jan/Jiri/Christian are set for the 17 skills sessions in Winston starting in mid-October. Worked with Andy on ice time. The sessions are team based and include off ice workouts and film before and after.
- Rec sign ups - currently have 110 registrants; last season we had 131; deadline is 9/1 for customized jerseys
 - Rec Select Tryout Date set for 9/3 in GSO, looking for 2 per team, low interest so far
 - Will make new rec flyer and post again
- Financial Recap of Summer Programs (all profits account for SE transaction fees):
 - Summer Showcase (want to expand next year, want to stick with teams playing together, could look at scheduling again for next summer)
 - Participants - 116
 - Sunday Small Group Skills
 - Participants - 101
 - Preseason Clinic
 - Participants - 40
- Once season starts, can't do much with clinics, etc, Will start planning for next summer. Need to lock in ice price, if possible. Could look at pre-tryout clinic at W-S or coliseum. Would also like to look

President Updates – Mike

- Mike has received feedback on the 3rd jersey and there were some sizing concerns with the youth sizes. He proposes that THA purchase replacements. 16 had to be reordered so far. Sally to reach out to team managers to see who else would need a replacement,
- Mike's team looking to have tshirts made when they do community service activity, will engage vendor to make them.
- Proposed that teams going to Lake Placid have a custom hoodie made for them. Players would not be charged for theirs, but parents can buy one. Build in the cost for the player hoodies into the parent's cost. 3 teams going. 16U going to do fundraiser to help with cost.
- The Board should review and approve any team fundraising efforts.
- For future tournaments, can look at all-inclusive options and work with teams to help raise money.
