

On-Ice Electronic Device Safety Policy

- **No Filming or Social Media:**

Filming, photography, or creation of social media content of any kind is strictly prohibited during sessions unless prior authorization has been granted.

- **Music Use:**

Skaters may use a cell phone, iPad, music player or similar device for music only if it is securely stored in a zippered pocket or a pouch designed to hold the phone firmly against the body.

- **Earbud Safety Rule:**

Only one earbud (e.g., AirPods) may be worn at a time. Use of two earbuds is not permitted and will result in the skater being asked to leave the ice.

- **On-Ice Device Use:**

Cell phone, iPad, music player and similar device use on the ice is limited to coaching and training purposes only. This includes reviewing recorded elements such as moves, spins, or program sections for improvement. This excludes texting and other non-related training activities.

- **Consequences for Violations**

Failure to comply with this policy may result in disciplinary action to protect the integrity of the Club and the safety of its members.

First Offense

Two Board Members will verbally address the concern with the skater privately, including a discussion of the violation and expectations for future behavior. The skater will receive a documented verbal warning.

Second Offense

Skater may not bring his/her cell phone, iPad, music player, or similar device that created violation into the rink for one week.

Repeated or Serious Offenses

Skater may not bring his/her cell phone, iPad, music player, or similar device that created violation into the rink for the rest of the season.. This will reset when a new season begins.
