New Business.

All

- A. Ken is meeting with Shawn next week to talk about contracts.
- B. Coaches game- December 4th
 - Ken is working with Howie to see who wants to play in it. Ken usually invites some alumni coaches to fill out the roster if needed.
 - Looking for someone from the booster club to get refreshments for the coaches for after the game.
 - Teams will be younger division coaches vs upper division coaches.
 - Matt asked, can we get rink 2? We usually take our Wednesday night sheet, but Ken will ask if anything can be moved around.
 - Coaches, draw names for their teams for who will do the shoot-out.
 - Parents will need to sign waivers for the family skate.
- C. Girls Hockey Team-
 - Ken would like to see a girls hockey team on the ice for next season.
 - Start with a clinic in December with squirt/pee wee girls. For the first year make it a part time team and we can add it to our evals in March.
 - The clinics are a good idea to get the word out for families in other organizations as well.
 - If you skate with EHA proper you will get a bundle deal, if you skate with mass conn and EHA you will not get the same deal.
 - Girls clinic will be December 2nd.

Board Reports

- D. Ken- Ideas to get registration up for learn to skate.
 - As we move into December, do we want to offer a learn to skate discount? Right now, session two is 200 dollars, we can do it for 175.
 - We can offer a free learn to skate session as a raffle for the coaches game. Put in the small print, not applicable for someone who is already registered.
 - Can we offer a bring a friend to LTS session? They would need a USA hockey number but yes, it is a way for people to effectively try it with a buddy.
 - Referral for next year- if you bring someone on to EHA, 25 dollar account credit for next year. Ken can put this out as an email and Kim will add a question on the website, were you referred to EHA by someone? Put your referral in at the time of registering.
- E. Howie- Clinics update
 - Defensive clinic went well, Howie received good feedback from players and parents.
 - The goalie clinic was a good use of ice time. There are two more scheduled out for the month of December. There is a squirt goalie clinic and a Pee Wee/Bantam goalie clinic.
 - Ken and Howie are still working on coming up with the next round of clinics.
- F. Kim- Moving mites or mini mites around:
 - Learn to skate is open. If we are moving any mites or mini mites around, we have
