This year, we're excited to be working with Rob Faber Photography! The photo package is \$65 and includes 5 high-quality digital images, printable at sizes up to 8x10 without any loss of clarity. If you'd like to print larger sizes, those must be ordered directly through Rob Faber's company.

Team photos will be taken on the ice this year. Because of this, if you're absent on your team's scheduled photo day, unfortunately, we won't be able to include you in the team picture. However, we would still love to have your individual photo featured in the yearbook!

If you need to schedule a make-up session, please reach out to me directly—we'd be happy to coordinate a time for you.

If you are not ordering photos, please plan to have your picture taken for the yearbook!
