CHC meeting notes

10/28/25

- **8u-14u is \$500 deposit per team due by December 15th.**
- **UConn offering group outings. 10 or more discount. Youth experience, high five and stand on ice. UConn men's games would be Hartford game's.**
- **Danbury hat tricks junior team. 18-20 age. Want to do youth outreach. Can book them to have players to come to practices. Mites on ice can be done.** joedimarino@danburytricks.com for information.
- **Clinics posted on 1 and 15th posted every month. First year coaches will not be redlined at end of year. Anyone that's more than first year. They need to do level 1 and next year the u6/u8 next season. If any first year coaches get redlined by USA hockey. Registrar can reach out to Mary Turner and they will unredline them.**

6U/8U meeting

- At the 8u age we aren't trying to create hockey players, we are trying to create athletes. 98 % of the NHL played 2 sports until 15 yrs old. 84% played 3 sports to 15 yrs old.
- **6U and 8u practice shouldn't have toys on the ice. Practice should be game like situations as much as they can.**
- **Sweden doesn't play full ice until U15**
- **There's 34,000 more touches in a cross ice game vs a full ice game.**

- *Full ice is for parents not kids*
- *Eyes up should be one of the main things told to other kids.*

In summary the 8u meeting was to state that there is a new committee also they are tryin to push to keep mites as a half ice game and not a full ice game.

- - Booster Club President: Karen Contorno
 - Coaches game prep going well. Nervous about not having enough volunteers. Pizza will be sold again. Ann's does give us discount but still ends up being a loss for the night
 - Comedy Night location contact received. Will get that sent out
