

2026- 27 COACHES & TEAM MANAGERS: TEAM SPONSORSHIPS

Thank you very much for your willingness to volunteer this upcoming season! It takes an enormous amount of time, effort, and energy to make our youth hockey seasons run smoothly and through your efforts, it makes it possible.

As you're well aware, there are also major costs that come along with each season. Ice time, jerseys, equipment, training, and referees to name a few. These costs are greatly augmented by the generosity of our local businesses. Many of these sponsors are small family-owned businesses that have (or have had) kids in the in the program, want to give back to the community, or simply share the same passion for the game as we all do.

Part of our agreement and responsibility is to do what we can to help promote, and also patron these businesses the best we can.

Below are a few items that we would please ask you to do in order to help recognize their support.

- **First Team Meeting:**
 - Mention the sponsor and ask the parents that they please support their business.
- **Team Website: In a prominent spot on your main team page:**
 - Add Sponsors logo with a hyperlink to their site
 - A "Thank you to our sponsor" and/or "Please support our sponsor"
 - Add their tag line if applicable
- **Send them your game schedule:**
 - Many enjoy coming to cheer your team on.
- **Team Picture:**
 - Order one additional team photo to be given to your sponsor
 - Have each kid on the team sign the picture
 - Hand delivers the signed picture to the sponsor at some point before season ends

Your help in making sure that these simple tasks get completely are an enormous help. Thank you again for your support and for making this a great season!
