Program Guide – 2026-2027 Season

Our mission:

"Serving the developmental needs of area youth through an organized hockey program that promotes sportsmanship and team concepts of the game of hockey."

"Our philosophy is to promote growth and development of youth players in a fun, fair, and safe environment maximizing player participation and skill development at all levels while also developing sportsmanship, teamwork, and self-confidence. We believe participation in organized youth hockey should lead to the building of personal self-esteem, self-discipline, social skills, and respect for others. As such, we are committed to evaluating our programs, on an ongoing basis, ensuring that we serve our memberships' needs, developing our players at all skill levels, and providing a positive experience for our youth."

Our 69th Year!
1957-2026

Home Town Hockey –
Where you get to
play with your
friends.

Unlike the "RINK" or "ARENA" owned programs –
We are a "TOWN PROGRAM" with a
"TOWN TEAM – FUN with your FRIENDS" approach.
Our players get to "PLAY with the neighborhood kids!"

WELCOME TO CONCORD HOCKEY!

Learn to Skate – (LTS) Intro to Hockey – (Atoms)

Beginner Hockey is open to **boys and girls**, ages 4-9, with an emphasis on **FUN**. This program teaches the necessary skills of skating forward, backward, stops, turns, along with basic puck handling. Players are divided into two skill groups. Our **“LTS Group”** learns the first steps in skating and stick handling. The **“Atoms Group”** is for players that have mastered the first steps. Short cross-ice scrimmages will be held in latter sessions. Players skate twice a week for 10 - 11 weeks – approximately 20-22 lessons. We offer a fall term from October to the end of December followed by a winter term running January to March. Players can choose to register for both terms or each term separately.

Tuition for **“LTS”** is \$299 per term. Session times are early to mid-Saturday and Sunday mornings. Tuition for **“Atoms”** is also \$299 per term. All sessions are held at the Everett Arena. *(Tuition also includes the AAU Hockey Insurance Registration.)* Players are separated based on skill and age then; each is assigned to a team equal to their designated skill and age levels. Please note: All participants must wear complete hockey and safety equipment. We realize not all players will love the sport as much as we do. Therefore, for ALL learn to skate participants, if after four on-ice lessons, a child does not want to continue, **CYHA will refund your tuition!**

THE DYNO-MITE DIVISION PROGRAM BOYS & GIRLS BORN BETWEEN 2018 AND 2021

In concert with USA Hockey, AAU Ice Hockey, and NH Amateur Hockey, we have developed a program for this age group emphasizing individual skill building in the basics of skating, stick handling, passing, shooting, coupled with team play. We teach these skills in small groups. We'll even play games in small groups! By doing this, each player receives proper instruction on a more individualized basis! We begin with smaller teams of 8 – 9 players, playing twice a week on the weekend! We separate our program players into six on-ice stations with each station's focus on a particular skill set. **Players are less likely to be watching a skill than doing them!!** Then we play small games to reinforce these skills learned. **Once our players have a “feel” and basic understanding of the game, we transition to “full-ice” games in late December!** Our Home Ice is at the Everett Arena, Concord, NH. Usual ice times are anticipated to be on Saturday's starting at 6:20 am for our Skill Sessions. Sunday times are “game days.” These will find us conducting **CROSS-ICE** games from Oct to Dec. Then, from January to season end, we hold **“FULL ICE”** games. Small teams of 8- 9 players are formed during for the **CROSS-ICE** sessions then increased to 12-15 players during **“FULL ICE.”** At the end of our season, we hold a **“FULL-ICE”** playoff – our “Tarzan Healy” Tournament. The **Dyno-MITE division is Travel Hockey preparatory** and designed to introduce players on the skills needed to advance into Travel Mites (8U) or Squirts (10U). **More Ice Time + More Puck Touches = MORE FUN!!** Tuition: \$1,450.00 -payable in installments! (\$400 at registration and \$350 per month for three months)

WE'LL SEE YOU ON THE ICE !
