- 21+ Hours of Team Practice (Varsity)
- 27+ Hours of Team Practice (Scholastic)
- 18 Regular Season League Games
- Team & Club Events
- End-Of-Season Banquet
- Club Administrative Costs
- Program Support Throughout the Season

Other Season Fees & Requirements:

Fundraising: Participation or \$250 Buyout

Our fundraising program allows us to keep player fees significantly lower than they otherwise would be while continuing to invest in our players and program. Fundraising is required for all players.

Families who prefer not to participate may choose the Fundraising Buyout.

At registration, families who do not select the buyout, agree to meet the minimum participation requirements for each team fundraiser during the season.

Community Service Participation

Giving back to our Frisco community is an important part of our program. FIHA holds numerous community focused events throughout the season including street cleanings, participation in the Frisco community parade, our annual food drive skate to benefit the food pantry at Frisco Family Services and our newest Jr. Coach program with the DSMHL. Players are required to attend 3 events during the season.

Optional Skills Sessions: \$35 per session

Players may choose to participate in our optional supplemental skills sessions. Sessions will be offered periodically throughout the season and will be available for sign up on an individual basis.
