

Hi, I am Hailey Bresser! I've been married for a year as of September 2023 to my husband Joe. I started skating when I was 4 years old and skated until I graduated high school, about 14 years. I skated on the Waupun Synchronized team for about 5 years and did a few solo competitions. This is going to be my 5th year coaching but my first year coaching in Beaver Dam. I've taught snowplow, basic and pre-free classes so far. I love watching all the skaters progress throughout the year and how comfortable they become with their skating! Outside of skating I work at Guth's Candy and enjoy spending time with my family, friends and my dog Timmy. I am currently accepting new skaters for private lessons.
