

I am the mother of Prudence who has been a Swan for the past 7 and half years. I have had the honor to watch her grow and find her passion with figure skating. I have a son who has a passion for soccer so I am always on the go. I have served on many boards over my children's youth. I have served on the Columbus Pre-School Board, Columbus PTO, Columbus Cub Scout leader board, Columbus Chamber of Commerce Board, St. Jerome Home and School Board, Girl Scout Troop Leader, Columbus Recreation Committee, and Columbus Beautification. I advocated for the City of Columbus to start an ordinance for the Beautification Committee. I have taken a few years off of volunteering and am excited to be a board member for Swan City Ice Skaters.
