

My name is Bentley Garcia

While I've been skating since I was 2, the world of coaching has opened up new excitement and challenges. It's incredible to be able to share my passion for the sport with budding skaters and guide them on their own journeys. I bring with me years of experience and a deep love for figure skating. From my early days on the ice to competing in synchronized skating teams, every moment has shaped me into the skater and now coach that I am today. Coaching the Ice Explorers is an absolute joy. It's fulfilling to see the progress and growth of each skater, and I'm committed to nurturing their talents and fostering a supportive environment in which they can thrive!
