

I'm Cassie, a Beaver Dam local, and I currently serve as a team mom for my oldest daughter's SwanSyncSation Aspire One team.

Prior to staying home with my two children, I spent over 10 years in retail and business management. I am excited to bring the skills and knowledge from that experience to the rink, and to dedicate my time and energy to our growing facility.

Outside of the rink, I enjoy spending my weekends camping with my husband, children, and our golden retriever. Please feel free to reach out if there is anything I can help with.
