

Karlee is the Synchronized Skating Director and one of the head coaches for our Aspire SwanSyncSation teams. Karlee has been skating since she was 4 years old and has never quit! She competed in synchronized skating at the State Games of America and her team took the gold medal!

Karlee is a Swan Alum who graduated in 2014 from Judson University in Elgin, Illinois with a double major in Early Childhood Special Education and Learning Behavior Specialist 1 (Special Education K-age 21). She worked in Illinois for a year teaching at a private school for disabilities and coached at The Silver Leafs. Then she moved to Utah and taught two years at a public charter school for Autism and coached for the Utah Figure Skating Club in Bountiful. Karlee now works for the Waupun Area School District as the Private Schools Liaison. She also teaches 1st grade for an online academy.

Karlee specializes in Learn to Skate, Synchronized Skating, Low Skating Skills, Solo Competition, and Freeskate Levels.
