

Fox Cities Stars Girls High School Hockey Team 2026-27 Sponsorship Opportunity

Hello,

The Fox Cities Stars Girls High School Hockey program is getting ready for another season, and we are once again asking for the support of businesses throughout our communities.

The Stars bring together more than 30 athletes from 16 different high schools across the region. This program is about much more than wins and losses. Our players learn teamwork and leadership, volunteer in our communities, and give back to younger skaters.

For the 2026-27 season, our Varsity and JV programs face more than **\$100,000** in total expenses. These costs include ice time, uniforms, transportation, referees, and the many other expenses necessary to provide a high school hockey program for our players. Unlike most traditional high school sports, the Fox Cities Stars are a self-funded WIAA program. While player fees cover a portion of our expenses, we rely heavily on fundraising and sponsorships from local businesses like yours to keep our program running.

Your sponsorship helps us keep player fees reasonable and gives our players the opportunity to play the sport they love while building lasting friendships. Many former players return to the hockey community as coaches, mentors and instructors, giving back to the next generation of young players.

We kindly ask you to consider supporting the Fox Cities Stars program and helping us provide these young women with the opportunity to continue playing high school hockey. Sponsorship opportunities are included on the following page, and we truly appreciate any level of support. Please return the sponsorship form in the self-addressed, stamped envelope by **November 6** to ensure recognition in our printed materials.

If you have any questions, please feel free to contact our team fundraising coordinator, Jill Cooke, at fcsgirlshockey@gmail.com.

Thank you for supporting girls high school hockey. **Let's Go Stars!**

100% of your sponsorship will benefit the Fox Cities Stars Girls Hockey Program. Fox Cities Stars Girls Hockey (FCSGH) is a high school activity coordinated by the St. Francis Xavier School System Inc (XCS), a non-profit 501(c)(3) organization. A portion of your sponsorship will be assigned a fair market value. Please contact your tax advisor for deductibility.
