

HULL HOCKEY

2027 SUMMER NOTHING BUT SHOOTING CAMP

FROM THE BACK FOOT TO THE FRONT FOOT, WE COVER IT ALL

**WE HAVE TWO GROUPS. WHEN YOU REGISTER, YOU WILL BE ABLE TO SELECT
EITHER "GROUP 1" OR "GROUP 2"**

FUNCTIONAL PROGRESSION

Just like our skating camp, we have mastered the progressive nature of developing skills in the quickest way possible. Each drill starts from the root of the release and each new drill builds from the previous.

ENERGY & FUN

Shooting pucks for the entire hour is just plain fun. I mean, who wouldn't love it?! Plus, the energy stemming from the pure joy of the kids is infectious creating one heck of an atmosphere to learn in.

NON-STOP INSTRUCTION

No matter what we run, we will never just allow the kids to go through the motions. Our priority is giving the kids the tools they need to succeed and feel accomplished. We will always be here for your players first and foremost.

DIFFERENT RELEASES

We cover everything you can imagine on both the front foot and the back foot to add to your skaters tool box. Not only will players improve their shots from every scenario on the ice, but they will also become better and more efficient puck handlers. The double benefit of this camp is the focus on body control and puck control.

ISOLATING COMPONENTS

You may see a pattern here...as skaters, our upper and lower body must be in sync at all times. This is especially true when releasing the puck. We isolate certain components of each shot to directly improve and strengthen certain movements to enhance our overall shot. But beware this is not easy!

TRANSFORMATIVE CONNECTION

Our staff has always been dedicated to helping our players from the get-go. None of our coaches are there to just collect a paycheck. They know what it takes to make a difference. Our staff is constantly growing and constantly improving. We guarantee you that the value we bring through teaching in a high energy and industrious culture will transform the way you think about coaching. We are setting the standard. We invest a lot into our coaches, and we just know you will see and feel the difference.
