Player Code of Conduct Agreement

Camps and Travel Teams

My commitment as a player

I will arrive prepared, give my best effort, follow reasonable coaching instructions, and support my teammates. I will treat players, coaches, officials, staff, and spectators with respect during camps, practices, games, travel, and team communications.

Respect and safety

I will not bully, haze, threaten, discriminate against, steal from, or deliberately hurt anyone. I will not take part in locker boxing, dangerous horseplay, or damage to property. I will respect changing-room privacy and will not take photographs or record audio or video there. I will use required protective equipment and tell a coach promptly if I am hurt, ill, feel unsafe, or see inappropriate behavior.

Team responsibilities

I will be on time, take care of my equipment, keep team spaces clean, and follow the supervision and pickup arrangements. I will not leave a supervised activity without permission. I will not possess or use alcohol, tobacco, vaping products, illegal drugs, or another person's prescription medication at team activities.

Accountability

I understand that misconduct may lead to a warning, a discussion with my parent or guardian, temporary restrictions, suspension, or removal under the handbook's review process. Immediate protective action may be needed for safety. I may ask questions or report concerns without retaliation. Physical exercise will not be used as punishment.

Parent or guardian acknowledgment

I confirm that I have read this agreement and the Mountain Lions Hockey Player and Parent Handbook and reviewed the expectations with my child in an age-appropriate way. We agree to follow the rules applicable to the registered camp or travel team. I will support respectful conduct and promptly report safety concerns. Travel and competition provisions apply only when those activities are included.

This agreement acknowledges conduct expectations. It is not a release of liability, a waiver of legal rights, or a substitute for separate medical or media consent.
