NYHL Code of Conduct

In an effort to make ice hockey a more desirable and rewarding experience for all participants, NYHL will institute a “zero tolerance” policy and not accept any form of verbal or physical abuse by members of the organization. This policy requires all players, parents, coaches and administrators to maintain a sportsmanlike and educational atmosphere before, during and after all NYHL hockey events.

Individuals, Coaches or players found responsible for this type of activity may face a one game suspension handed down from coach, and or board/administrator for the first offense. Continued abuse will face a hearing with the board of directors and penalties will include further suspensions, or even expulsion from the program.

NYHL follows the Newburyport Public School Anti Bullying Policy, participating Rink Policies, and USA Hockey Policies and guidelines.
