	away ● Jim has resigned ○ He's part time capacity ○ Joey is interviewing volunteers for team manager position ● Schedule from the league is in contention between Chiller and USPHL/NCDC ● Teams play at Easton February 27 (potentially) ● Helmets are in ○ There's a few issues that are getting worked out ● No hard date for gloves ○ Soft date of September ● Helmet stickers TBA
Jodie Scheduler/ Registrar	● We got about 6-8 hours each week for practices, but were supplemented with a few hours each weekend ● There seems to be an imbalance between association hours allotted ○ For the week of December 7th: ○ EYHA has 8 practice slots M-F ○ Ccyha and CAHA both have 14 slots ○ Not clear on whether or not the Cannons ice has to come out of their allotment, and if so, tack on four teams each for CCYHA and CAHA ○ Sue is happy to put together something to circulate to managers ● We do not split our practice allotment with NE Mavs ● We did not create a new travel team, Varsity just replaced 16U ● Parent questions about the association's goals/ice time allotment ○ Brian said the ice shortage won't change answer need to get creative ○ Jeremy said the association will not grow any bigger ○ Joey suggested teams open up to being willing to travel to Wooster, Athens, Dayton, and possibly farther ○ Look for Cleveland teams willing to not do a home & home ● The fairgrounds is probably on its last year of having ice ● CHIC might have ice to sell back from their HS group ● We are waiting on 5 teams to finish the vetting process
Steven, Travel Coordinator	● MCHL is this weekend ● Dayton and Indian Hill don't have much ice allotted yet
