

April 15th, 2026 JTHS Media Center

Start Time: 8:15 PM

Attendees: Carmine, Cindy, Nicole, Mark Bob, Brian, Dave S., Dave M., Adam, Dan, Natalie, Rose

Mark - President Report

- Discussed schedule and use of Star of the Sea
- Other sports need to be secondary
- Communicating to parents that they need to be flexible
- Discussed use of Cozy if other school moves back
- \$500 voted on for secretary position
- Want designated board member for uniforms, cages, balls
- Annie Arias or Shawn Robertson nominated for - Equipment Manager/Uniform JBA Fanware Manager.

Bob - VP Report

- See if we need any positions filled for next year. Is everyone staying on board?
- Discuss end of year survey results.
- I would like to get rid of players playing up even if they are top 5. The only level that should be able to play up is entry level teams. Meaning 3rd grade girls can play with 4th grade and 2nd grade boys can play with 3rd grade.

- Discuss lower level girls teams 3rd & 4th going back to the JBA league where they mandate lower level teams to play man to man. The new league allows younger teams to play in a zone which is not helping the development of the girls at a younger age.
- Continue with the background checks for all coaches next year.
- All league coordinators please look at the rules online and send over any changes or updates you would like to make prior to next season.
- Independent raters
- Discussion about moving players up a level and whether it is good for the players etc. Discussion to change by laws.
- Vote to amend by laws all players will be placed on age appropriate teams unless otherwise approved by the Board in place of top 5. Bob motion, Dan second. Unanimous vote
- Discussed comments on Goethe/Scholz/Heller
- Discussed coaching

Nicole - Rec Director

- Scholarships
- John Lezak is no longer our ref liaison. We are getting another person next year.

Dave -

Cindy -

Brian - Fundraising

Anna - Equipment

Mike - A Division

- Jim Tarsitano was banned from coaching in the JBA. Outside of the incident with him at the semi-final game, the boys season went well. Teams were competitive.
- The girls season went well outside of some drama. Teams were competitive. It was definitely better having only 7th/8th grade so

hopefully the numbers work out next season to have a girls B division again.

- The new cage at the middle school was a big upgrade. We need to get new basketballs for next season, both boys and girls. We should keep some new ones as game balls that won't be used in practice.
- Suggest we make the rules consistent related to playing time and substitutions for A, B, and C division.
- Suggest we make standards for how the drafts are done in each division. Coaches/assistant coaches first, then spread all travel players split as evenly as possible by grade. Next go by ratings but need to spread out the tallest players evenly on teams as well as spread all players as evenly as possible by grade.

Rose - B Div

Dan - C Div

Natalie - K/1/2

Matt - HS

Dave - Boys Travel

Carmine - Girls Travel

Follow up To Do's

- Add Frequently Asked Questions to website (Specifically About Scheduling Issues)
- Follow up with Cozy Lake to see if anyone moved in and we can access their gym.
- \$500 to Secretary
- Get someone to be a new on the board (Equipment and Uniform Manager)
 - Get sample sizes

- Disclaimer (If you order the wrong size, you will have to pay to have it replaced)
- Independent raters / No coordinators in gym for tryouts
