- All coordinators and coaches should not be in the gym during travel tryouts. For transparency and to protect the JBA lets separate ourselves as much as possible from the ratings and formation of teams. What do we think about a Boys Coordinator to be in the gym for girls tryouts and Girls Coordinator for Boys tryouts?
- Registration is out
- Travel dates tryout from 6-10 October 13, 14, 15 ,16
- Aux gym dates for clinics with HS boys and girls- week of 9, 10, 11, 12 hour and half
- Discuss all girls teams or just girls teams 3rd & 4th grade going back to the JBA league where they mandate lower level teams to play man

to man. The new league allows younger teams to play in a zone which is not helping the development of the girls at a younger age.

- All league coordinators please look at the rules online and send over any CC changes or updates you would like to make prior to the upcoming season.
- Nicole will be in contact with the independent raters from Ramsey for tryouts this year.
- Continuing with the background checks for all coaches this year
- Vote on the second amendment on the by-laws which states the following...
 - No Child shall play up more than one (1) grade level one grade level **entry level teams ONLY**; *For example: 2nd grade boys are able to try out for the 3rd grade boys travel team and 3rd grade girls are able to try out for the 4th grade girls travel team. In a situation where a child is far superior from his/her grade level a discussion and approval from the board is required. (Amendment from the 4/15/26 board meeting) all in favor/approved*
