CHALLENGES & REWARDS

BBSEF Families and Friends,

The 2025-2026 season was one of the most challenging we've experienced, weather-wise. Yet, it was also one of the most rewarding.

The adaptability of our coaches, enthusiasm of our athletes, support of our families, and our partnership with Bogus Basin helped us through the twists and turns of the season.

Thank you for always bringing the stoke! We look forward to the upcoming winter with you!

Shannon Carrell
Executive Director
