

Hello SPYHA Families,

Thanks for taking the time to review the candidates running for a board position.

My name is Chris Davis , this past season I served as both the PeeWee A Head Coach and the 8U Director. I have been involved with the Sauk Prairie Youth Hockey Association in various capacities since my kids started playing in 2018. I have two kids, Owen (1st year PW) and Rhys (1st year 8U).

Professionally, I have nearly 20 years experience in corporate finance and accounting and hold an active CPA license in Wisconsin. Throughout my career I have consulted and served in leadership roles with businesses ranging from small start-ups to companies with \$500M in revenues - there isn't much I haven't seen. Much of my experience has centered around the member owned cooperatives in Wisconsin.

As a member owned organization, my experience and background will serve our association well. Over the past few years SPYHA has invested a substantial amount of money into the facility and with an aging building and equipment, the need for continued investment will continue. Our organization needs people on the board who understand balance sheets, cash flow statements and forecasting in order to ensure the continued success and longevity of our program and facilities. Having seen my home organization (not Sauk) struggle and hearing about their strifes they go through, underscores the need to have the correct people guiding our association.

I have a deep love and passion for the game of hockey and want to see more boys and girls fall in love with it the way I have.

Thank you for your support.

Coach Chris
