

I am honored to be nominated for the Sauk Prairie Youth Hockey Association Board of Directors. I started playing hockey when I was 3 years old and being involved in the sport has shaped who I am today. I continue to play in adult leagues and enjoy remaining connected to the game that has given me so much.

This last fall, I began coaching our 6U players. It has been very rewarding to watch these young skaters improve over the season. I enjoyed sharing my love of the game with the players and their families. I believe in focusing on skill development, teamwork, sportsmanship, and creating a positive environment where kids can build confidence and have fun.

I live in Prairie du Sac with my wife and our three daughters. My 5 year old is finishing her first season of 6U hockey, which has made my involvement in the association even more meaningful. Being both a coach and a hockey parent gives me a unique perspective on the importance of strong leadership, communication, and community within our program.

I am excited about the opportunity to serve and make a lasting impact on SPYHA, helping to grow the program and ensure a positive hockey experience for the next generation.

Thank you for the opportunity!
Spencer Gullick
