

Hi! My name is Angela Slaney. My husband, Jeff, and I have lived in Prairie du Sac for 13 years. We have 2 children, Dalton and Jayde, both play within the Association. Dalton is a 1st year Peewee, and Jayde plays on the Whitecaps 10U team. We never thought we'd be a hockey family, but here we are and loving it!

A little about me, during the day, I work as a Paralegal. At night, I am just a free taxi driver, whose 2nd home is the rink (as we can all relate!). In my "free time" I enjoy being crafty with my Cricut, reading, watching Badgers hockey, and cheering on my kids in their activities.

I think as an association we have a pretty well run program for our kids; but some tweaks are always needed as things grow, change, and/or evolve. I enjoy helping and being involved, when and where I can; therefore I would gladly accept a role to be a part of this Board.
