

Corey Noltner – Nominee for the Board of Sauk Prairie Youth Hockey Association.

I am honored to be considered for a position on the Board of Directors for Sauk Prairie Youth Hockey Association. As a passionate advocate for the sport of hockey and a long-time member of this community, I am committed to ensuring the growth, success, and positive experience for all players, coaches, and families involved in our association.

Background and Experience:

With 35 years of involvement in Sauk Prairie Youth Hockey at various levels—whether as a player, coach or volunteer—I have gained a deep understanding of the challenges and opportunities that come with managing a successful hockey program. My experience as a coach and parent has provided me with valuable insight into the day-to-day operations of the association and the needs of our members.

In addition, my professional background in sales/management/finance has equipped me with skills in leadership, strategic planning, and financial management that will contribute to making informed decisions for the association's continued success.

Vision and Goals:

As a board member, my focus will be:

- **Supporting Player Development:** Ensuring that every player, from beginners to elite levels, has the resources and opportunities to develop their skills and achieve their potential
- **Fostering a Positive Community Environment:** Promoting an inclusive and supportive atmosphere for all families, creating a space where respect, sportsmanship, and teamwork are prioritized
- **Sustaining Financial Health:** Ensuring the financial stability of the association through transparent budgeting, fundraising, and efficient use of resources
- **Encouraging Volunteer Engagement:** Strengthening our volunteer base and ensuring that our programs are well-supported by dedicated individuals who care about the growth of the sport
- **Enhancing Communication and Feedback:** Improving how we listen to the needs and concerns of players, families, and coaches, and ensuring that the board's decisions reflect the best interests of our community

Why I am running:

I am passionate about giving back to the sport that has provided me with so much over the years. I am committed to using my skills, knowledge, and experience to contribute to the continued success of Sauk Prairie Youth Hockey and to create an environment where players, coaches, and families can thrive.

I look forward to the opportunity to serve on the board, and I hope to work collaboratively with all members to further our association's mission and vision.

Thank you for your consideration.
