

ED Report 7.31.24

Have been working on:

Registration portals are open- thank you Audra!

I am still working on figuring out the website and appreciate Audra and Scott's patience.

ASHA approved us to try and field a 12U Minor Girls team, we will evaluate the players interested during the 12U M/M tryouts. Still confirming a coach.

Comp council has not decided who is hosting which tournaments yet, we did ask for 12U either M/M or both if required to host both

RT and I met with the 16UT2 Girls coaches and the team will be changed to an A team because we lost a couple players. We are also exploring the idea of a NB HS Girls Team. We will hold 1 sheet tryout on 9/10 to see if there is any interest, **with the Board's approval.**

Scott Kozlak will be the 10U AGC and Ashley Adamszak will be 8U DM

Emails sent to the membership about registering, new jerseys and events coming up

Scheduling meeting for Girls Comp is Aug 21, and for youth Comp (14-18) is Aug 23. Both Kim and I will attend those meetings.

Parent Meeting for 6U/8U and 10U will be 9/10 at Pioneer Park Theatre.

We have gotten most of our ice from the rinks for the season. Carlson is only really giving us ice in January/Feb which will be helpful for FF and traditional ice shortage in Feb.

August ice has been uploaded to the website
