Kanelboller Specialty Roast: Warm cinnamon and soft vanilla meet in a Scandinavian classic. Kanelboller coffee captures the comforting aroma of freshly baked cinnamon buns—golden dough, generous swirls of cinnamon sugar, and a hint of creamy vanilla.

Koselig Medium Roast: The moderate caramelization of the natural sugars in our Koselig blend gives a slightly sweet taste with notes of chocolate, nuts, and caramel, leading to a clean and crisp taste that is never bitter.

Krumkake Specialty Roast:

Drawing inspiration from the traditional Norwegian waffle cookie known as 'Krumkake', this coffee embodies the delightful flavors of buttery vanilla, a hint of almond, and subtle cardamom spice.

Marka Dark Roast: Bold and intense flavor profile; the darker roasting process creates a caramelization of the natural sugars in the coffee beans, resulting in a sweeter taste with notes of dark chocolate, caramel, and nutty flavors.
