TBD)

Regular Season: Begins November

Senior Night: TBD

Championships: TBD

(Location TBD)

MAHSHL Website: <http://mahshl.com>

The Kansas City Knights High School Hockey Program is the premier High School Hockey Program in Kansas City. Both Varsity and JV participate in the Mid America High School Hockey League (MAHSHL). The number of teams formed, and the division they play in, will be determined on player registrations. Most games are played here locally in the Kansas City area, but some travel is required.

Both Varsity and Junior Varsity:

- Approximately 34-38 practices per season
- Compete in a pre-season jamboree & post season championship
- Starting line up will be announced at every league game
- Three USA Hockey certified officials per league game
- Off-ice officials provided for keeping score/working the game clock
- KC Knights Senior Night with recognition of players and parents

Registration:

Registrations will open in August. All players will register through the Maha-kc website (www.maha-kc.com). Every player must have a current USA Hockey number to register (must be renewed annually). Players who turn 17 on or before 12/31/2025 are required to complete Safe Sport training in order to be rostered on a team. You can register or renew your USA Hockey number and get information to complete Safe Sport training at www.usahockeyregistration.com.
