- Silva family request to allow Jordan Silva to play goalie in CB Town League, turns 18 2/12/25, not playing HS Hockey but would like an opportunity to continue playing. Father JR is playing and will be at some of the games. Safesport issue would be player under 18 in the locker rooms with adults, option would be to dress in the warming house? Family will sign a waiver
- Wynes Family has fake ice tiles and net with backstop for a Shooting Station, they will donate to WEHA if one of the rinks has a place for it?
- Refund Policy - any exception or waiver for injuries?
- Struggling to field a 10U Girls team, games in Vail 11/23 & 11/24 - low numbers may force us to drop out of the League which is not very popular with the league or other teams, trying to make it work!
- Several injuries in the last couple weeks, HS team - broken arm, broken fingers, 19U Girls - concussion
- Lack of Officials is becoming an issue at all levels of play, need to think outside the box on recruitment or it will impact our product going forward
- Officials Locker Room in Gunnison - use by Coaches has become an issue, trying to resolve by working together, but limited rink space is wearing thin on all parties
