11. ZERO TOLERANCE:

To make ice and inline hockey a more desirable and rewarding experience for all participants, VMHC, CAHA and USA Hockey instituted a Zero Tolerance Policy. This policy requires all players, coaches, officials, team officials and administrators and parents/spectators to maintain a sportsmanlike and educational atmosphere before, during and after all USA Hockey sanctioned games. Thus, the following points of emphasis must be implemented by all.

Players

A minor penalty for unsportsmanlike conduct (zero tolerance) shall be assessed whenever a player:

1. Openly disputes or argues any decision by an official.
2. Taunts or incites an opponent.
3. Visually creates a disturbance during the game.

Any time that a player persists in any of these actions, they shall be assessed a misconduct penalty. A game misconduct shall result if the player continues in such action.

Coaches

A minor penalty for unsportsmanlike conduct (zero tolerance) shall be assessed whenever a coach:

1. Openly disputes or argues any decision by an official.
2. Uses obscene, profane, or abusive language to anyone at any time.
3. Visually displays any sign of dissatisfaction with an official's decision including standing on the boards or standing in the bench doorway with the intent of inciting the officials, players, or spectators.

Any time that a coach persists in any of these actions, they shall be assessed a game misconduct penalty.

In addition, any player/coach who uses language that is hateful or discriminatory in nature anywhere in the rink before, during or after the game shall be penalized under Rule 601(e.3) resulting in a match penalty. Such behavior is reprehensible and has absolutely no place in our game. The offender shall be immediately suspended until a hearing is conducted by the governing USA Hockey Affiliate or Junior League.

Parents/Spectators

The game will be stopped by game officials when parents/spectators displaying inappropriate and disruptive behavior interfere with other spectators or the game. The game officials will identify violators to the coaches for the purpose of removing parents/spectators from the spectator's viewing and game area. Once removed, play will resume. Lost time will not be replaced, and violators may be subject to further disciplinary action by the local governing body. This inappropriate and disruptive behavior shall include:

1. Use of obscene or vulgar language to anyone at any time.

If the member team, or VMHC fails to act, VMHC and CAHA reserves the right to have any person who causes a disturbance to be removed from the playing area and to impose such sanctions as is deemed advisable by the appropriate Vice President and/or Suspension/Appeals, Discipline Committee.
- b. Anyone who uses profanity, throws objects onto the ice or is abusive towards any player, official or spectator shall be subject to immediate ejection from the premises.
- c. If a parent refuses to abide by a written request or ruling of the VMHC or CAHA Suspension/Appeals, Discipline Committee, then the player of that parent may be barred from competition if the ruling involves discipline against the player.

13. CONSUMPTION/USE/ABUSE OF MOOD-ALTERING SUBSTANCES:

It is the considered judgment of the Board of Directors of USA Hockey that consumption/use/abuse of mood-altering substances is detrimental to a healthy state of mind, body, and spirit in an athletic participant. This is especially true for those participants aspiring to develop their talents in the furtherance of their playing or coaching or officiating careers in the sport of ice hockey. Therefore, with the best interests of its participants in mind, VMHC and USA Hockey prohibits use by any participant of mood-altering substances during active participation in its programs, and, upon discovery of any violation, shall take action to remove the participant from participation in its programs for a reasonable period of time. Further, USA Hockey hereby recommends that each and all of its teams, associations, programs and affiliates adopt reasonable regulations concerning the prohibition of consumption/use/abuse of mood-altering substances, and a reasonable enforcement procedure thereafter, in order to maintain the health of our athlete participants, the integrity of our programs, and the eligibility of all of our competitors for national, international and collegiate competition.

For purposes of this policy, the words “mood altering substances” shall include the following:

1. Intoxicating beverages, including, but not limited to, alcohol.
2. Non-prescription or prescribed controlled substances.
3. Prescription or prescribed controlled substances when used to an excess in violation of doctors’ orders, or to produce the state of intoxication in the participant. Further, a participant shall include players, coaches, referees, and all persons involved in the conduct of an ice or inline hockey contest.

Violations of this policy will be brought before the VMHC Discipline Committee for adjudication. Violators are subject to suspension from VMHC.

14. ONLINE SOCIAL NETWORKING POLICY:

For this policy, the key definitions are as follows:

- *Online social networking- an online service, platform or site that allows users to share information, ideas, comments, events, or media (for example: photos, videos, or music).*
- *Vail Mountaineer Hockey Club membership- people directly involved in the organization’s activities, including, but not limited to, coaches, team managers, team support staff, office officials, players, parents, volunteers, and administrative staff.*

The Vail Mountaineer Hockey Club understands and appreciates the importance of online social networking as it relates to its members and stakeholders personal and professional lives. This immediate and public forum provides unique opportunities for networking and promotion; however, it also provides an often-unsupervised medium for inappropriate conduct. This conduct may be deemed detrimental to the welfare of VMHC and its membership. We want to hold the entire membership that participates in online social networking to the same standards as all forms of communication, including television, radio, and print.

These policies protect all parties from harassment, stalking, inappropriate contact, or behavior. If an outside party request to participate in an online network due to your affiliation or participation with the Vail Mountaineer Hockey Club, VMHC recommends that the request be declined. The following are some examples

of behavior in online social networking mediums that may result in disciplinary action by VMHC at the discretion of the VMHC Disciplinary Committee.

- Posting or divulging confidential information, included, but not limited to, members' personal information, contact information, medical conditions, injuries, and/or sensitive matters pertinent to VMHC and its membership.
- Posting negative or derogatory comments about the Vail Mountaineer Hockey Club or competing programs' staff, programs, members, stakeholders, or program participants.
- Posting photographs, videos, or comments promoting negative influences or criminal behavior, including, but not limited to, drug use, alcohol abuse, public intoxication, sexual exploitations, etc.
- Participating in any online activity that contradicts the current policies of VMHC.
- Posting inappropriate derogatory, racist, or sexist comments contradicting VMHC's policies.

The Vail Mountaineer Hockey Club membership should assume that they represent the Vail Mountaineer Hockey Club. Members of VMHC are expected to demonstrate discretion and respect over these sites; if a photo or comment is inappropriate for all other forms, it should be considered unsuitable for online social networking sites. Any material, statements, or actions through these portals or a cellular phone or service deemed inappropriate will be reviewed by the Vail Mountaineer Hockey Club's Disciplinary Committee for possible suspension and/or expulsion from the program.

15. LOCKER ROOMS: The use of the rink and the locker rooms is a privilege, not a right.

- **SUPERVISION POLICY:** The Vail Mountaineer Hockey Club and USA are concerned with locker room activities between minor players, adult players, adults being left alone with individual minor players in locker rooms, and non-official or non-related adults having unsupervised access to minor participants at sanctioned team events. The VMHC, USA Hockey Policy, is that at least one SafeSport certified, and USA Hockey registered, responsible adult be present directly monitoring the locker room. This person should be present during all team events to ensure that only participants (coaches and players), team personnel, and family members (pending circumstances) are approved. Any individual meeting with a minor participant and a coach in a locker room requires a responsible adult to be with the coach. Further, responsible adults must personally monitor the locker room environment and ensure the locker room is appropriately secured when minor participants are on the ice. All locker room monitors must meet the VMHC/USA Background Screening requirements.
- **CONDUCT POLICY:** All players and others in the locker room must conduct themselves respectfully while participating in any VMHC practice or game. Players must adhere to and follow this policy regarding conduct in and around the locker room.
 - Players may only be in a locker room if an adult they know is present, either in the locker room or close to the locker room, as a locker room monitor (SafeSport and background screened).
 - Players may only be in a locker room during assigned times.
 - Players must conduct themselves respectfully when in the locker room.
 - Players may NEVER be in a locker room alone with one adult.
 - Players may NEVER bring electronic devices into the locker room. Electronic devices include, but are not limited to, cell phones, tablets, laptops, cameras, video recorders, or any device capable of capturing images or sound. If you have questions about whether a device is permitted in the locker room, contact your Head Coach, Team Manager, or monitor in advance.
 - Female players rostered on co-ed teams need to change in a NON-MALE occupied locker room for games and practices. At away rinks, please ask at their front desk.

- Players are forbidden from engaging in any activity construed as physical abuse, sexual abuse, emotional abuse, bullying, threatening, harassment, or hazing in the locker room.
- Players are not permitted to invite persons not part of the actual team or VMHC program into the locker room. This would include, but is not limited to, family members and friends. The Head Coach may grant exceptions for emergencies and other situations.
- Conduct that violates any part of this policy must be reported confidentially to the Head Coach, Assistant Coach, Team Manager, Locker Room Monitor, or any adult associated with the program.

Failure of any participant to comply with this Locker Room Policy will result in disciplinary action. This action could take many forms, including but not limited to, a reprimand or warning, suspension from the team and/or program, or expulsion from the team and/or program. Any player who misses time with a team or program due to being disciplined for failure to adhere to this policy will NOT be entitled to any refund of fees paid to participate in the program or on a team.

16. SAFESPORT:

Vail Mountaineer Hockey Club (VMHC) has adopted, effective June 20, 2013, USA Hockey's and CAHA's SafeSport Program. All of the following must obtain current SafeSport training and background screening: board members, directors, coaches, volunteers that have regular contact with minors and specific players. Details of the SafeSport program are published separately and are included in these policies and procedures as if they were printed herein.

A player who violates any of the above, including VMHC's SafeSport Policy, and/or the Player Code of Conduct will be subject to disciplinary measures, which may include benching, physical exercise, suspension from practices and/or games, loss of locker room privileges, prohibition from skating or other use of the ice arenas, suspension for a period of up to one year and/or dismissal from VMHC.

3. If the behavior of a coach, parent or guardian, family member or guest generates a **second** complaint in the same season, and if after providing such person with an opportunity to appear before Discipline Committee, the VMHC Board forms an opinion that the actions of such person warrant a second censure by the Committee, said person shall be restricted from entering or participating in any VMHC functions or any VMHC event for a period of 30 days, or however long the VMHC Board deems.

4. If the actions of the coach, parent or guardian require a **third** censure or a violation of any VMHC restriction occurs, the coach, parent or guardian will be restricted from entering Dobson Ice Arena and Eagle Pool and Ice Rink during any VMHC event for up to a period of one year. In addition, the membership of the family of the player, coach, parent, or guardian may be suspended, at the discretion of the VMHC Board.

5. Any member family that has a player, coach, parent or guardian under suspension or restriction at the end of the hockey season may not be considered a member in good standing for the following season. After the end of the season, the Board shall review the circumstances of the suspension or restriction and make a determination as to whether the player(s) in such family shall be eligible to return for the following season.

6. Any punishment meted out by the VMHC, pursuant to this Policy, shall be separate from and in addition to any sanction issued by any coach for violation of written team rules, or any sanction issued by any referee, CAHA, or USA Hockey.

- g. Be the intermediary between parents and the Executive Director and/or Director of Hockey Operations, especially if a parental concern involves a coach or practice execution.

Decisions by Age Group Directors may be appealed/reviewed by the Board of Directors. Appeals shall be submitted to the Board Secretary.

18. CHAIN OF COMMAND/GRIEVANCE PROCEDURE:

SAFESPORT VIOLATION- shall be brought immediately to the attention of the SafeSport Coordinator, Executive Director, and the President of the Association.

Vail Mountaineer Hockey Club strives to provide an environment that is conducive to a positive learning environment for all participants. VMHC believes the key to establishing and maintaining this environment lies in an attitude, fair play, respect for self and others, good sportsmanship, and discipline. VMHC strives to uphold high standards for our players, their families, volunteers, visiting teams and officials.

VMHC has the following procedure for resolving potential team issues and should they remain unresolved, grievances. It is important to remember that the Head Coach has the ultimate and immediate authority for the team's behavior (including parents). The parents and players are subject to the coaches' rules, the Policies and Procedures of VMHC and the rink in which they are participating.

The Team Manager is responsible for assisting the coaches in the smooth operation of the team and is the second level of authority within the team. The Team Manager's role is to direct concerned parents through the proper chain of command. A Team Manager should always try to be impartial and compassionate; it is not your role to get involved with the complaint, issue, or concern. Remember, your role is to be an ambassador for your Coach and the VMHC. **The Team Manager has a duty to immediately inform the coaching staff of any team or individual issues, which he/she feels violates the Code of Conduct or that are reported to them.**

For issues involving minor infractions of the Code of Conduct it is suggested that the parties try to resolve the issue quickly but keeping in mind that often following the 24-HOUR RULE can be very helpful in decompressing the situation. The 24-Hour Rule allows for waiting 24 hours before discussing the issue with the parties involved.

Codes of Conduct will be given to each player and parent. During a meeting of the team, parents, players, and coaches, each player and parent will sign the document and give it to the Team Manager. The Team Manager will keep these signed forms in the Team Manager's book. Team Managers should ensure the parties seeking resolution on issues first consult the VMHC Conflict Resolution Table. As a general rule of thumb, the following hierarchal order can be utilized:

1. Contact Team Manager regarding issue.
2. Contact Head Coach – Preference is for parents to talk to the Team Manager first, if possible.

If either of these individuals (Team Manager and/or Head Coach) are unapproachable for any reason or the issue is of a more serious nature you should contact:

3. Age Group Director
4. Executive Director or Director of Hockey Operations
5. Disciplinary Committee Chair
6. Board President

A parent, as does any member, has the option to take a matter to the VMHC Disciplinary Committee. The Disciplinary Committee is the final option for resolution of breaches in conduct, and any matter taken to the Disciplinary Committee will be conducted under the USA Hockey Bylaw 10 guidelines.

The Team Managers are an important part of the team structure. Their leadership can influence the outcome of a season. They need to lead by example, remain positive towards the team and the coaching staff and curtail petty attacks on players and staff by parents and others. Remember, negativity takes hostages and grows like a cancer. Keeping the team, players, and parents alike on a positive path can go a long way to enhancing the experience for all those involved.

24-Hour Rule: A parent who wishes to speak directly to the Head Coach regarding their child's lack of ice time or other similar issue is encouraged to wait a minimum of 24 hours following a game or practice before contacting the coach to discuss their concerns. The meeting should be requested through the Team Manager. It is a very powerful and age-old notion that things seem better the next morning. An exception to this rule is action that involves any SafeSport violation.

Comments, questions and concerns regarding: players, managers, or coaches *of other teams*; referees; VMHC or other associations; WCHL, CPHL, CGHL, or other leagues; CAHA; or USA Hockey, shall be directed first to the VMHC Executive Director. Thereafter, the chain-of-command shall be followed. Only those persons explicitly authorized to do so by Board of Directors shall contact/communicate with referees, other teams, other associations, Leagues, CAHA, or USA Hockey on behalf of VMHC.

Failure to observe the procedures outlined herein may be considered misconduct, and subject to a disciplinary hearing.

19. HEARINGS AND DISPUTE RESOLUTION:

It is the policy of VMHC to implement and follow USA Hockey Bylaw 10 for any disputes which may arise that have not been satisfactorily resolved by the Board of Directors and/or VMHC's Executive Director. USA Hockey Bylaw 10 can be found in the USA Hockey Annual Guide and online at www.usahockey.com.

20. TEAM MANAGEMENT AND ASSOCIATION REGISTRAR:

- a. Each youth and women/girls' team shall have a Team Manager whose name, address and telephone number shall be indicated in the USA Hockey Team Registration/Roster. The Team Manager shall be custodian of and responsible for all documents necessary for credential review prior to participation in invitational tournaments, playoffs, and championships.
- b. VMHC will hold a mandatory Team Manager meeting each Fall prior to the first games of the season.
- c. If CAHA and/or the WCHL or CGHL holds a Manager's/ Registrar's meeting, it is mandatory a representative of each team attend.

21. TEAM MANAGERS:

The Team Manager should act as a communications facilitator between the parent and Head Coach when necessary. He/she should help to enforce the coach's rules that may pertain to parents and players, ie: no parents in locker room, supervising the locker room to the best extent possible in compliance with VMHC's, SafeSport and USA Hockey Locker Room policies. If the Team Manager is called regarding a player issue, the Team Manager shall relay the information to the Head Coach. If a parent is upset about something they should observe the 24-Hour Rule before talking to a Team Manager. If a conflict cannot be resolved, please comply with section 17 / Conflict/Grievance resolution.

22. HEAD COACH RESPONSIBILITIES:

The Head Coach, or acting Head Coach, of each team shall be held responsible for the conduct of the members and team officials of his/her team both on and off the ice immediately before, during and after any CAHA, WCHL, CGHL or VMHC sanctioned event during the time that the players and other team members are under the immediate supervision of the Head Coach or acting Head Coach, including but not limited to team functions, practices and games. The Head Coach, or acting Head Coach, is responsible for the conduct of his/her team in the locker room. The Head Coach, or acting Head Coach, of any team member or team official involved in any disruptive or unsportsmanlike incident may be called to account for the actions of any such team member or team official and may be subject to disciplinary measures as determined by the appropriate Disciplinary Committee.

This responsibility shall specifically include any action by any team member or team official that results in damage to any ice arena facility.

This responsibility shall be interpreted to mean possible financial responsibility to pay for any such damages, unless otherwise assumed by the Association, for which the Head Coach or acting Head Coach is registered.

- a. In the event of any such damage, that is reasonably verified by the CAHA through proper authorities, the team and every member and team official of the team, to which the person causing any such damage may be immediately suspended from participating in any CAHA sanctioned game as determined by the CAHA Disciplinary Committee. Any person found to have caused such damage shall be subject to pay the reasonable costs of repairing any such damage before their team and any

member of their team is allowed to resume play in the regular season, Spring/Summer season or successive seasons.

The Head Coach, or acting Head Coach, of each team shall work with the VMHC Registrar to ensure that all coaches on the bench are certified at the appropriate level after December 31st of the current season.

The Head Coach, or acting Head Coach, of each team shall work in conjunction with the VMHC Registrar to ensure that all members of their team are registered with USA Hockey prior to participation in any games, non-League games or tournaments and/or practices. Failure to comply subjects the coach to fines and suspensions by VMHC, the league and CAHA.

23. COACHING:

The majority of VMHC coaches are volunteers. They are giving freely and generously of their time. It is important to remember without their dedication and commitment to the growth and development of our players, VMHC could not operate.

VMHC coaches are to be treated with utmost respect.

The Director of Hockey Operations will recruit, interview, and recommend the most qualified Head Coaches from the application pool. All coaches are subject to review and affirmation by the VMHC Board of Directors.

The Head Coach is responsible for his/her team and shall not be the Head Coach of another team that competes in the same league playing season.

All Coaches shall have the appropriate USA Hockey level of certification for the age level they are coaching, be registered with USA Hockey, show proof of State of Colorado Concussion training, and complete the SafeSport Training Videos provided by USA Hockey prior to stepping on the ice or supervising VMHC players in locker rooms or any VMHC related activity.

The VMHC Director of Hockey Operations will do due diligence in presenting candidates to the Board of Directors for approval.

The VMHC Director of Hockey has the discretion to remove or reassign a coach at any time during the season.

Coach's Game-related Travel Expenses

The Head Coach of each VMHC team will get paid 100% of registration fees for the player of the team he/she coaches. Up to TWO assistant coaches get paid \$575 for the player of the team he/she coaches. Coaching payments will be issued before the culmination of the hockey season.

Coaches with NO player on the team will be compensated as outlined in the terms of the signed contract. Contracts will be issued at the start of the season.

Salaried coaches will receive reimbursement for hotel expenses only.

The Executive Director will review special circumstances on a case-by-case basis.

Official VMHC registered and USA Hockey certified coaches with NO player on the team will be reimbursed for out-of-town league, VMHC and paid tournament game-related travel expenses as follows:

1. COACHES

- Coaches will receive \$150-\$250/night lodging allowance (based on location). When lodging exceeds \$250/night, coaches need to get prior approval from the Executive Director.

2. LODGING RATE REIMBURSEMENT EXPECTATIONS

It shall be the responsibility of the Team Manager and/or the assigned member of the coaching staff to make lodging reservations/rates that are reasonable and sensitive to the needs and wishes of all team families. It is assumed that, if possible and reasonable, all members of the team coaching staff will stay at the selected team lodging facility.

- g. Coaches must submit an application to the Director of Hockey Operations prior to attending and be accepted for reimbursement.

4. MILEAGE TAX-DEDUCTION OPTION

As a volunteer member of a non-profit organization (VMHC) the ENTIRE MILEAGE to and from all league/scrimmage/tournament games, practice sessions and team meetings throughout the season are tax-deductible income tax filing. This is especially important for coaches WITH a son/daughter on the team.

5. Team Rules and Meetings:

Each Head Coach will establish individual team rules in accordance with the overall philosophy, values and the policies and procedures of VMHC and the Coaching Curriculum. Head Coaches shall hold a team meeting with players and parents to discuss and explain team rules and answer any questions regarding

VMHC Policies and Procedures before the 5th practice of the season. Team rules will address missing practice, how to contact the coach, dress codes, team captains, discipline, team expectations and goals.

6. TOURNAMENTS, EXTRA PRACTICES OR GAMES:

Coaches wishing for additional tournaments, practices, or games should obtain a consensus of player parents. The Head Coach will ask the Team Manager to discuss and verify what the parents are willing to pay for. The number of home games and practices are set by the VMHC schedulers, and the league affiliate based on budget parameters and availability of ice time.

24. GENERAL PHILOSOPHY REGARDING PLAYER ICE TIME:

VMHC seeks to provide a learning environment that is fun for players of all skill levels. This does not mean that we do not engage in competition. It means that we try not to place an undue emphasis on winning. VMHC shall not seek to win “at all costs.” However, VMHC does not guarantee equal ice time for every player. Instead, VMHC attempts to ensure an equal opportunity for each player to develop as a hockey player and as a person. In accordance with USA Hockey guidelines, VMHC places reduced emphasis on winning and individual achievement at the 10 & under age level. Parents are hereby advised that as players progress to higher skill levels (from house to travel to tier), teams place a greater emphasis on competition and winning and expect a higher level of commitment from the players and parents in terms of time, effort, and money.

25. TRYOUT/EVALUATION PROCEDURE:

At a minimum, players shall be evaluated by the Director of Hockey Operations and the Head Coach. The Director of Hockey Operations may bring in additional evaluators as he/she deems necessary. Each evaluator will make a written evaluation of assigned players and determine the overall skill level of each player. Players shall be selected by this tryout group, after review and consideration of the evaluation scores. Coaches need not select players solely on their written evaluation scores, but may also factor in other consideration such as team chemistry, the players’ heart, desire, temperament, and level of commitment; whether the player is a good fit for the team, the “coachability” of the player; the players’ prior history with VMHC, etc. The coach of the higher skill level team in each age division shall choose his/her team first.

Parents are welcome to attend and must strictly adhere to the Zero Tolerance Policy during the evaluation/tryout sessions. Do not talk, yell, gesture or make any comments to your player or any other player who is on the ice. **However, for the benefit of your player, having parents in and around the ice surface or in the stands only adds pressure to the player in an already strenuous situation.** Prior to leaving the ice area parents are encouraged to wish the player well, let them know you support them by:

- Encouraging player to do his/her best but reinforce the notion that the purpose of player tryouts/evaluations is to place them on an appropriate team and that no matter where they end up, it will be a great place, where they will have a great time.

- Never give excuses to their player that blames other people for their child not making a certain team. This is counterproductive to the program as well as to the child's character development.
- Not being involved in the process; parents should not discuss player evaluations/ tryouts and team selections with other parents in such a manner that detracts from or distracts from the process.
- Remembering, skating skills, puck handling, skills, hockey/game knowledge, athletic ability, "coachability", team play commitment, player attitude and/or behavior and prior year(s) performance all are factors in placing a player
- Team rosters are officially final December 15th of each year. Any player movement will be handled by the Director of Hockey Operations and follow USA Hockey, CAHA, League and VMHC policies.

26. LEVEL OF PLAY:

The VMHC "A" level programs [U14 A (Bantam), U12 A (Pee Wee), U10 A (Squirt), Girls 19U, Girls 15U, Girls 12U and Girls 10U are offered as an opportunity for players to experience a higher level of play, competition, and performance standards. "A" level teams require a greater level of commitment as practice, game, tournament, and travel schedules can be more demanding in terms of time frequency, expectations, and travel expense. Classroom, off-ice training, and home-based reinforcement of skills (practice what has been taught) is part of the commitment made to the program, team, and oneself. Ice time is earned through consistent effort, understanding of team systems, helping and support of fellow players, attentiveness, and willingness to learn and practice.

"B" level teams have a slightly lower expectation for time and travel, classroom, off-ice training and at home practice are expected, player ice time is more evenly distributed, Players with "A" level skills, but who cannot make the effort or commitment, are better off on the "B" level.

At the discretion of the Executive Director, Director of Hockey Operations and the evaluators, a player may be placed on a team with the designation for Practice Player. In the event there are too many players at a specific level to make an additional team and/or the ability of the player prevents him/her from participating safely, he/she will be a practice player. These players participate in all practices with the team and can work towards becoming a team player.

VMHC co-ed travel teams compete in the WCHL. Each association in the WCHL is required to field a team at the "A" level of play. If a team of players does not have sufficient skill to have some success at the "A" level of play, the Director of Hockey Operations may petition the WCHL for permission to "play down" at the "B" level. Teams playing down generally forfeit the right to participate in League Playoffs.

VMHC also has an option, under the WCHL, to double roster players in an age division based on the following criteria:

- 1: Top 50% of A rostered players will be locked onto the A team roster.
- 2: No game cap, but players must meet 50% playoff eligibility rule for league playoff participation.
- 3: Double rostered players will be at Executive Directors discretion, not coaches and/or team staff, and may be reviewed by the WCHL Executive Board/Competition Committee.

4: Team Roster Caps (Max game day bench roster with DR players). Double Rostering cannot occur when bench rosters exceed:

14U Bantams: 14 Skaters + Goalie(s)

12U Peewees: 12 Skaters + Goalie(s)

10U Squirt: 12 Skaters + Goalie(s)

27. PLAYER MOVE-UPS:

VMHC does not promote any player playing up or down in any age division. However, any player wishing to play at a higher age group must:

- Contact the Director of Hockey Operations and submit the request in writing at least two weeks prior to evaluations/tryouts.
- The player must make the highest-level team at the age division (i.e. Squirt A-Pee wee A-Bantam A-Minor A-Major A) and must be an “Impact Player” at the next level.
- A 12U player shall NOT be allowed to move up to 14U- except girls
- Up to 3 Mites may move up to play Squirt B with CAHA and league permission

28. PLAYERS:

a. Coaches Expectations:

Coaches have the primary responsibility for ensuring players meet their obligations to their teammates and to the Vail Mountaineer Hockey Club. Coaches expect their players to exceed the minimum standards of behavior. For example, a player should avoid being disruptive or inattentive during practice, making negative comments, complaining, or whining, blaming goals or losses on individuals, teammates, or otherwise not being a team player. Players are expected to take ownership of their mistakes and learn from them. VMHC expects coaches to evaluate and make judgments regarding players’ behavior, and when necessary, to take corrective action. If players or parents wish to discuss the reasons for a coach’s decision, they are to follow the Conflict Resolution procedure (section 17). Coaches are expected to discuss any player issues with the parents.

If a player will miss a practice or game, the Head Coach and Team Manager must be contacted by the parent.

b. Practice Attendance:

Hockey is a team sport, and players should attend as many practices as possible. At the Head Coach’s discretion failure to attend or notify the Head Coach with a valid reason for missing one or more practices may affect game participation. Players are expected to arrive at the set time to do pre-practice dryland or meeting, be dressed and ready to go on the ice at the appointed time.

c. Other Sports:

If a player is involved with another sport and it overlaps with hockey, a discussion with the Head Coach is mandatory so that both parties are aware of commitment requirements. VMHC encourages participation in other sports and will work with all other sports. However, travel/competitive team players must weigh the requirements for meaningful practice and travel teams. Always remember to respect your teammates.

d. **Scholastic and Athletic Eligibility Guidelines:**

VMHC strongly believes that good grades are of greater long-term value than participation in youth sports. Parents should monitor their child's academic performance. If a player is having difficulty, parents are encouraged to discuss the matter with the Head Coach and address the matter appropriately. Middle School and High School students are expected to maintain academic and athletic eligibility standards established by their schools. Players not meeting eligibility requirements may be ineligible for play and/or practice. For any player with verified learning challenges, it will be the responsibility of the player and/or his or her parents to furnish the VMHC Executive Director an appropriate minimum requirement consistent with the player's education plan at his/her school.

e. **Player / Coach Dress Codes:**

Members of Vail Mountaineer Hockey Club are representatives of VMHC and our community. Players and coaches are expected to conduct themselves accordingly.

Each player will lease game jerseys (one dark and one light) and breezer covers from VMHC for the duration of the season. During registration a non-refundable \$50 Uniform Rental Fee will be collected for each player. Additionally, each Team Manager will collect a \$250 Uniform Security Deposit. If the leased items are not returned or returned damaged, VMHC reserves the right to collect the \$250 deposit.

All players must comply with USA Hockey's equipment rules including, but not limited to, mandatory use of HECC-certified helmets and facemasks, as well as other protective gear like shoulder pads, elbow pads, shin pads, and gloves. Starting August 1, 2024 neck laceration protectors are also required for all players in youth, high school, and junior hockey, and on-ice officials under age 18. VMHC requires all players to wear **dark blue or black** gloves and a **black** helmet.

For all games, players are to dress uniformly with the appropriate VMHC dark or light jersey, VMHC breezer covers, matching socks, **dark blue or black** gloves, and **black** helmet. Please bring both jerseys to all games, forgetting your jersey may forfeit your ability to play in the game. Please respect the jerseys as representatives of VMHC and take proper care of them.

For all games, coaches are to dress in appropriate VMHC gear, including but not limited to, the provided VMHC coaching jacket, the provided VMHC warm-up jacket or other VMHC logo wear.

HOME / AWAY DRESS CODE:

All teams are expected to arrive at games representing VMHC and themselves as team players. All VMHC players are expected to have a VMHC warm-up jacket. Each Head Coach will establish a dress code for his/her team at the beginning of the season meeting. Not adhering to the coach's dress code may result in consequences.

Dress code options include, but are not limited to:

- VMHC Warm-up (Adidas or Bauer navy blue version)- At a minimum players should arrive in a VMHC warm-up jacket and uniform-colored bottoms.

- Formal Dress: Teams may decide to dress-up for games. Attire may include dress pants, collared shirts, ties, dresses, etc.

f. Player Removal Policy

All players will conduct themselves in a manner consistent with the spirit of the VMHC Mission Statement, Vision Statement, philosophy, policies, and rules of VMHC. Any inappropriate behavior may result in disciplinary action by the appropriate authority per these policies and rules or by the VMHC Disciplinary Committee. This may include removal of the individual from the team or VMHC. The Disciplinary Committee may dismiss or sanction any player from any team by a majority vote and approval of the VMHC President. The VMHC President will inform the player and his/her parents of the dismissal or sanction in writing (email acceptable to the registered email address in VMHC's records) which will include the action and steps necessary to appeal the decision.

29.PLAYER INJURIES:

Whenever a player is injured, and requires visitation to a medical facility, either Emergency or Doctors office, for treatment and/or evaluation, it shall be required that the player provide written documentation from the physician and/or medical facility to the coaching staff, and Vail Mountaineer Hockey Club, prior to being allowed back on the ice or practice session. This documentation shall state a specific date on when that player may return to skating, as well as resume full contact with no restrictions. This shall include any and all injuries that require professional medical treatment. ie: broken bones, concussions, migraines, etc.

30. CONCUSSIONS AND HEAD INJURIES:

Any time a player sustains a suspected concussion or head injury, either during a game, practice, or activity, it is required by the state of Colorado the player be immediately removed from the activity. The player is not allowed to return until evaluated by a health care provider and he/she has received written clearance to return to play from the health care provider; both the coach and VMHC must have a copy of the clearance prior to the player returning to an active status. When in doubt, ALWAYS err on the side of safety. It is critical that whenever a player has any potential injuries of this nature that the coaching staff notifies either the parent, and/or responsible guardian for the player, immediately of the incident and their findings, and the requirement of written medical clearance before resuming as an active player with VMHC.

Complete details and resources on the USA Hockey Concussion Protocol can be found [HERE](#).

31.PLAYER FEES:

Player fees are determined by the VMHC Board of Directors and shall be at least a minimum of 60% of the total program cost. FEES are based on a number of factors, including available funding, ice rental fees, number of practices, games, tournament fees, equipment fees for training and operational expenses. VMHC undertakes several fundraising activities to supplement and reduce player fees.

Refunds are issued on a case-by-case basis after review of the Executive Board. There will be NO refund if a player is removed for disciplinary reasons or has been suspended for violation of any playing rule, violation of

VMHC Bylaws or Policies and Procedures. In the case of season ending injuries, a refund will be based on the missed portion of the season less a \$300 fee. If a player leaves prior to the team selection process a refund will be issued less a \$100 fee. If after team selection process but prior to December 1st a refund of up to 50% less a \$300 fee may be issued.

32.UNIFORM DEPOSIT:

Parents of travel team players are required to give VMHC, via the Team Manager, either a post-dated check made out to VMHC for March or sign a credit card charge authorization in the amount of \$250.00 as a Uniform Security Deposit on the return of uniforms at the end of the season. **No uniform will be issued without the required deposit.**

Players shall lease their uniform jerseys and breezer covers from the club at an annual rental fee of \$50.00. Uniform jerseys and breezer covers are the property of the club. Loss or damage to issued uniforms are the responsibility of the individual/family to whom issued. Failure to return uniform jerseys and/or breezer covers in good condition will be subject to forfeiture of uniform deposit and/or billed for damage repair or replacement jersey and/or breezer covers.

32.SCHOLARSHIP POLICY:

It shall be the policy of Vail Mountaineer Hockey Club that, when available, scholarships will be accessible to those members of the association who demonstrate financial need. Such funds shall be available for an amount not to exceed 80% of the annual registration fees. It shall be understood by all applicants that upon approval of scholarship request, applicant(s) will be expected to volunteer time, an additional 10-15 credits, above the credits already required by all parents, for the benefit of Vail Mountaineer Hockey Club as may be requested by the Board of Directors, Fundraising and/or Tournament Chairperson(s). Approval responsibility for scholarship applications shall rest with the Treasurer of Vail Mountaineer Hockey Club.

Procedure:

1. Applicant(s) shall signify desire for scholarship funding by indicating such desire on the VMHC registration form at the time of registration.
2. Applicant(s) shall provide the VMHC Treasurer with copies of the two most recent years' tax returns.
3. Completed application and tax returns shall be sent to: VMHC Treasurer, PO Box 2591, Edwards, CO 81632 or sent electronically to treasurer@vailmountaineers.org.

VMHC will always strive to be reasonable and prudent in its endeavor to disburse scholarship funds fairly and equitable. Any scholarship information collected by the VMHC shall be held in strictest confidence. At no time will the VMHC, in reviewing applicant(s) information, furnish said information to any unrelated third parties or in any way perform any action which might be deemed detrimental to the applicant.

34. PARENTAL INVOLVEMENT/VOLUNTEER REQUIREMENTS:

Everyone wants his or her player(s) to have the best possible hockey experience. Parents must get involved to help make this happen. VMHC is a volunteer organization, with a paid consultants as the Directors. VMHC recognizes ice hockey is an expensive sport. Registration fees cover approximately 60% of the actual cost to run the program. The remaining costs must come from Fundraising.

Volunteer Opportunities exist for the following:

- Annual Avalanche Alumni Weekend- September
- Annual Sportsmanship Tournament – typically 3 weekends in November
- Playoff Tournament (when applicable)- 1 weekend in late February/early March
- Fundraising Committee:
 - Sponsorship Solicitation
 - Grant writing
 - Tournament sponsors – Hotels, Media, Restaurants, Silent Auction
 - Lodging Coordinator

Experience has shown the VMHC Board, the majority of the fundraising efforts are run and conducted by less than half of the player families. The VMHC Board has attempted to use gentle persuasion to increase participation in the fundraising activities. The Board has reluctantly decided to collect a mandatory cash or credit card (plus processing fees) deposit payable to VMHC prior to your player participating in the VMHC program. This fee will be collected as part of the registration process. Once the Parental Involvement Commitment has been fulfilled, the money will be reimbursed.

Each family will be required to pay a **\$400.00 parental involvement deposit** at the time of player registration. Families of all travel team players are required to earn a **minimum of 10 volunteer credits per family** throughout the season. (One credit equals approximately one hour of time.) The money collected will be used to pay the cost of “contract labor” needed to support VMHC fundraising activities. This is not a substitution for participation in the direct fundraising campaign.

The Parental Involvement Support payment is only applicable to fundraising and approved Parent Involvement Support activities. VMHC utilizes the online programs (such as SignUp Genius) and input from the Executive Director, Director of Hockey Operations, Team Managers, and the Fundraising Director to track credits.

Penalty box, scorekeeping or running the time clock during REGULAR SEASON scheduled games does NOT count as involvement support activity, this is expected as being part of the VMHC team. No partial refunds are allowed, if a player leaves Eagle County for another association a pro-rated refund may be issued if the member was in good standing.

Families with more than one player are requested to evenly distribute time between each team.

I have read, understand, and agree to comply with the VMHC Policies and Procedures as outlined above.
