Introduction and Definitions

Introduction

Vail Mountaineer Hockey Club is committed to improving the skill development, the safety and the welfare of our athletes. The SafeSport Program is designed to provide clear guidelines and expectations for all players, coaches and organization members on:

1. abuse or misconduct prevention strategies
2. appropriate behavior
3. effective response to concerns

Unfortunately, youth sports can be a place where misconduct, including child physical and sexual abuse has the potential to occur. This Vail Mountaineer Hockey Club approved document will provide the guidelines for appropriate behavior in hopes that the risk of abuse will be minimized. These measures, while aimed at protecting youth, also serve to better protect adult coaches and volunteers.

Definitions

Child, Children, Player, Athlete, Minor and Youth

Anyone under the age of 18

Child Physical Abuse

Abuse or Child Abuse or Neglect means an act or omission that threatens the health or welfare of a child in one of the following categories:

- Skin bruising, bleeding, malnutrition, failure to thrive, burns, and fracture of any bone, subdural hematoma, soft tissue swelling, or death and:
 - The condition or death is not justifiably explained.
 - The history given concerning the condition is at variance with the degree or type of such condition or death.
 - The circumstances indicate that the condition may not be the result of an accidental occurrence.
- A controlled substance is manufactured in the presence of a child, on the premises where a child is found, or where a child resides.
- A child test positive at birth for either a schedule I or II controlled substance, unless the child test positive for a schedule II controlled substance as a result of the mother's lawful intake of such substance as prescribed.

Child Sexual Abuse

Child sexual abuse involves any sexual activity with a child where consent is not or cannot be given. This includes sexual contact with a minor that is accomplished by deception, manipulation, force or threat of force regardless of whether there is deception or the child understands the sexual nature of the activity. The sexually abusive acts may include sexual penetration, sexual touching, or non-contact sexual acts such as verbal acts, sexually suggestive written or electronic communications, exposure or voyeurism.

Emotional Abuse

The terms 'abuse' or 'child' abuse or 'child neglect' include any case in which a child is subjected to emotional abuse. 'Emotional abuse' means an identifiable and substantial impairment or a substantial risk of impairment of the child's intellectual or psychological functioning or development.

Misconduct

Conduct which results in harm, the potential for harm or the imminent threat of harm. Age is irrelevant to misconduct. There are six types of misconduct in sport: emotional, physical, sexual, bullying, harassment and hazing.

Peer to Peer Sexual Abuse/Misconduct

Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Peer-to-peer sexual abuse covers sexual activity between children without equality or as a result of coercion, physical force, threats, trickery or emotional manipulation to elicit cooperation. There can be an aggressor, age difference or an imbalance in power or intellectual capabilities.

Grooming Behaviors

Grooming is the process of desensitization that predators use on children to prepare and trick them into accepting sexual abuse. Grooming is a way for the perpetrator to gain trust and confidence and draws the victim into a secret sexual relationship. Grooming can include but is not limited to: targeting a victim, isolation, meeting the child's needs, giving a child special attention, buying gifts and having power and control over the child.

Electronic Communication Guidelines

Vail Mountaineer Hockey Club understands that social media is a popular communication tool for players, parents and coaches. Vail Mountaineer Hockey Club is also aware that social media is a venue where inappropriate behavior and misconduct can occur. The risk associated with social media include: inappropriate access, sharing personal information, bullying, unwanted and unsupervised contact between adults and children, receiving unwanted material, online grooming for sexual abuse or actual unlawful sexual exploitation.

Failure to comply with CAHA SafeSport Program or USA Hockey SafeSport Program guidelines can result in disciplinary action. Vail Mountaineer Hockey Club has a **zero** tolerance rule when it comes to player safety and preventing abuse and misconduct.

Texting, Email and Similar Electronic Communications

If it is necessary for a coach or staff member to send a direct text message or email to a player, the following guidelines must be followed:

- A parent (or guardian) **must** be copied
- It must be signed so it is clear as to whom or what organization is sending the message. Just using the number or email address for identification is not sufficient.
- It should be non-personal and for the purpose of communicating information about team activities
- It should never include or contain offensive, sexual or inappropriate language or photos
- The time of day and the number of messages sent should be considered
- Records should be kept of every coach's current cell number and email accounts

When a player feels the need to text or email a coach or staff member, the following guidelines must be followed:

- A parent (or guardian) **must** be copied
- It should be sent only with information regarding the organization or team or club activities

- Social media sites should not be used to abuse or criticize the organization, members or players.

Locker Room Guidelines

Vail Mountaineer Hockey Club wants all players to be safe on and off the ice. Vail Mountaineer Hockey Club is also aware that the locker rooms provide a place where abuse and misconduct can occur. Players are particularly vulnerable in locker rooms due to various stages of dress and undress and because players are less supervised. Player to player issues such as sexual abuse, bullying, hazing and harassment often occur when players are not supervised.

Adherence to Locker Room Guidelines can reduce opportunities for misconduct and abuse. It will also allow for a fun and safe place for players while still holding to hockey traditions. Vail Mountaineer Hockey Club asks that players and coaches follow USA Hockey and CAHA SafeSport Program guidelines at all times.

Vail Mountaineer Hockey Club's policy is: at least one CAHA registered coach, preferably two, directly (be inside or just outside with the door open) monitor the locker rooms at all times players are present. Players may not enter locker rooms until a CAHA registered adult or Coach is present to directly supervise the locker room. Vail Mountaineer Hockey Club has a policy NOT allowing anyone in the locker rooms other than Coaches, Team Manager, Board Members and Executive Director.

Vail Mountaineer Hockey Club Policy: Phones or electronic equipment are not to be used in the locker room.

Vail Mountaineer Hockey Club requires all players and coaches to report to the Executive Director, any and all misconduct, abuse or violations immediately.

- Coaches should have a separate place to change and shower. Coaches are never to be nude among players.

Responding and Reporting Abuse Concerns

Vail Mountaineer Hockey Club believes it is the responsibility of all members, staff, volunteers, parents and players to report concerns of abuse or misconduct.

It is NOT the organization's responsibility to decide the credibility or validity of a report of concern, only the responsibility to report it.

The organization should not attempt to evaluate or investigate the report or be concerned with false reporting, but to respond appropriately and swiftly to avoid further distress to the victim. Everyone at Vail Mountaineer Hockey Club is required to report any and all concerns regarding sexual abuse, physical abuse, emotional abuse, bullying, hazing, coach misconduct, player misconduct and any other forms of inappropriate behavior immediately to the appropriate investigative agency and Executive Director. USA Hockey and CAHA SafeSport Program guidelines are to be followed when reporting and responding to abuse.

Reporting Policy

It is the policy of USA Hockey and CAHA SafeSport Programs that every employee or volunteer of any USA Hockey sanctioned program must report:

1. ***Suspicions or allegations of child physical or sexual abuse.*** They are to be reported to the appropriate agency, either law enforcement authorities or social services agency
2. ***Actual or perceived violations of the USA Hockey and CAHA SafeSport Programs.*** They are to be reported to USA Hockey, CAHA and Local SafeSport Coordinators.
3. ***Any violations of CAHA policies prohibiting emotional abuse, sexual harassment, bullying, threats and hazing.*** They are to be reported to the appropriate Member and CAHA SafeSport Coordinators.

Any report of misconduct or suspicions of child physical abuse or sexual abuse will be taken seriously and handled appropriately. All club members are to take concerns of abuse or misconduct to the Vail Mountaineer Hockey Club SafeSport Coordinator who will take appropriate action. The actions of the SafeSport Coordinator will be documented and shared with the Executive Director and the Board of Directors. A staff member or volunteer may contact law enforcement themselves and then notify the Executive Director immediately.

A report must be made when the reporter suspects or has reason to believe that a child has been abused or neglected, or when the reporter has knowledge of, or observes a child being subjected to, conditions that would reasonably result in harm to the child.

Concerns, suspicions or suspected "grooming" behaviors are to be told immediately to the Vail Mountaineer Hockey Club's SafeSport Coordinator.

Responding to Concerns

There are a number of reasons a person might need to report a concern:

- In response to something a young person has said to you - a disclosure
- In response to signs or suspicions of abuse
- In response to allegations made against an organization member, staff or volunteer

- In response to allegations made about a parent or someone not working within the organization
- In response to bullying or hazing
- In response to violating USA Hockey and CAHA SafeSport Procedures
- Observation of inappropriate behavior
- In response to anything that makes the reporter uncomfortable based on inappropriate behavior by an adult or player

It should be clear, even if the incident occurred outside of Vail Mountaineer Hockey Club, it should still be reported to authorities. Know that authorities have professional in interviewing child victims about abuse and it is not Vail Mountaineer Hockey Club's job, so do not attempt to interview any child about a disclosure.

Always:

- Stay calm
- Reassure the person reporting concerns, that they have done the right thing
- Don't judge
- Listen carefully, take it seriously
- Write down exactly what the person reporting concerns says using his or her own words
- Ask open-ended questions only to clarify, who, what, where and when
- Let the person reporting concerns know you have to tell someone
- Report incident to appropriate authorities
- Let the person reporting concerns know what your next steps are and who you will be sharing the information with
- Fill out the appropriate forms

Never:

- Panic
- Show disbelief
- Project your own reactions onto the child
- Make promises you can't keep or assure confidentiality
- Make the person reporting concerns repeat the information unnecessarily
- Delay in reporting to your supervisor and local authorities
- Make assumptions
- Approach the alleged abuser
- Take sole responsibility for the information you have
- Try to investigate the allegations
- Make negative comments about the alleged perpetrator
- Share personal information about you or your child
- Probe for more information

Record:

- Person reporting's full name, age, date of birth, home address and telephone number
- Any time, date or relevant information
- Who the concern is regarding

- Using the reporter's words, give an account of what happened
- Document any visible injuries
- Document your next steps
- Document date of time of informing the Executive Director
- Document date, time and who you spoke to at the law enforcement or social service agency

Confidentiality

To the extent permitted by law, and as appropriate, Vail Mountaineer Hockey Club will keep confidential the complainant's name on request, not make public the names of potential victims, the accused perpetrator or people who made a report of physical and sexual abuse to the authorities.

Immediate Suspension or Termination

When an allegation of abuse or misconduct is made against a staff member, player or coach, that individual will be removed from interaction with players immediately and the organization will cooperate with the investigation and conduct its own internal investigation, if necessary.

No one is assumed guilty based upon a reported concern, but player safety is paramount, therefore suspensions are appropriate until the investigation(s) is complete.

Hiring/Volunteer Guidelines

When hiring a new staff or allow a volunteer person to work within the Vail Mountaineer Hockey Club organization, we will include child sexual abuse prevention screening into the general screening process. This process is for all adults and youth who are looking for employment or volunteer positions within the organization. Vail Mountaineer Hockey Club will not make exceptions for applicants familiar with the organization or who are past employees.

Vail Mountaineer Hockey Club requires all Board of Directors, The VMHC Hockey Director, coaches, team managers and referees, (over 18) to be registered with CAHA each season and be registered with at least one team. Only CAHA registered Adults (previous sentence) shall supervise and be in control VMHC Players and activities. VMHC will be responsible for screening any locker attendants or other not specifically listed by CAHA.

Vail Mountaineer Hockey Club may from time to time ask and have volunteer or paid consultants whom have expertise in a specific area related to hockey and in direct or indirect contact with players. These individuals shall be directly supervised by a CAHA registered coach, Board Member, or Team Manager any time they are in contact with players.

Vail Mountaineer Hockey Club does NOT allow volunteers to monitor locker rooms. Locker rooms are the responsibility of the team Head Coach to monitor. Likewise, it is the responsibility of parents/ guardian(s) to arrange transportation to practices and games for their players, Vail Mountaineer Hockey Club does not have any drivers nor screens any adult for driving records, or if they have adequate insurance, this is a parental obligation.

While no screening can identify every potential child abuser, you can reduce the risk by learning all you can about an applicant; most importantly their interest in working with youth. Vail Mountaineer Hockey Club believes that that SafeSport Program will deter coaches who may be at risk for abusing players from applying with the organization.

Vail Mountaineer Hockey Club will follow USA Hockey and CAHA SafeSport Screening Programs, conduct background checks and check new hires against the National Sex Offender Registry List.

Educate Applicants

- Share your child safe policy and procedures, including USA Hockey, CAHA and Vail Mountaineer Hockey Club's SafeSport Programs, with all applicants. This will let them know the dedication to child sexual abuse prevention and might deter some applicants.
- Share all Codes of Conducts.
- Inform applicant that signature and full participation of the SafeSport Program is required.
- Ask if applicant has any problems with the SafeSport Programs or Codes of Conduct.

Taking and Use of Photographic and Recorded Images of Players

Vail Mountaineer Hockey Club wants to promote fun hockey activities and information about the organization and/or its players through photographs, recorded images and videos whether on our website or through print. To do this in a way that ensures the safety of players and members, Vail Mountaineer Hockey Club has safeguards to protect inappropriate use of images or recorded images. (This includes the use of a camera, digital camera, video recorder, mobile phone or personal digital assistant device or other recording device.)

There are risks posed directly and indirectly through the use of photographs and recorded images. These images can be used as a means of identifying players thus leaving them vulnerable to people who wish to “groom” them for child abuse or possibly provide information to estranged parents. Also, the images themselves can be used, modified and shared among the offender population. To avoid misuse, Vail Mountaineer Hockey Club requires the following guidelines be adhered to.

- Ask for parental permission prior to use of a player’s image. Be clear with parents as to how the image will be used and stored (see parental consent form).
- Never publish personal data (email, phone, home address or other information) of a player without signed consent form.
- Only use images of players suitably dressed to reduce the risk of inappropriate use.
- When recording a player for teaching purposes or recruiting needs, care should be taken in storing such recordings and who they are shared with.
- Members should be vigilant and report any unknown individuals who are recording or photographing organization members.
- Members also need to report any concerns regarding inappropriate taking or publishing of photographs or recorded images.
- Report any violations.

Hiring a Professional Photographer

- Have the photographer sign the volunteer Code of Conduct and read this guideline.
- At large events, all parties interested in taking photos should register personal details with Vail Mountaineer Hockey Club.
- Provide clear guidelines about expected behavior and content of the photography.
- Photographers must wear identification, provided by Vail Mountaineer Hockey Club, at all times.
- Do not allow photographer unsupervised access to players or one-on-one photo sessions without parent permission.
- Do not approve photo sessions outside events or at a participant’s home.
- Ensure the images taken reflect the positive aspects of hockey and the organization.

Parent's Code of Conduct

- Do not force your children to participate in sports, but support their desires to play their chosen sports. Children are involved in organized sports for their enjoyment. Make it fun.
- Encourage your child to play by the rules. Remember, children learn best by example, so applaud the good plays of both teams.
- Do not embarrass your child by yelling at players, coaches or officials. By showing a positive attitude toward the game and all of its participants, your child will benefit.
- Emphasize skill development and practices and how they benefit your young athlete. De-emphasize games and competition in the lower age groups.
- Know and study the rules of the game and support the officials on and off the ice. This approach will help in the development and support of the game. Any criticism of the officials only hurts the game.
- Applaud a good effort in both victory and defeat, and enforce the positive points of the game. Never yell or physically abuse your child after a game or practice – it is destructive. Work toward removing the physical and verbal abuse in youth sports.
- Recognize the importance of volunteer coaches. They are important to the development of your child and the sport. Communicate with them and support them.
- If you enjoy the game, learn all you can about hockey – and **volunteer**.

ZERO TOLERANCE

In an effort to make ice and inline hockey a more desirable and rewarding experience for all participants, USA Hockey instituted a zero tolerance policy beginning with the 1992-93 season. This policy requires all players, coaches, officials, team officials and administrators and parents/spectators to maintain a sportsmanlike and educational atmosphere before, during and after all USA Hockey-sanctioned games. Thus, the following points of emphasis must be implemented by all referees and linesmen:

Players

A minor penalty for unsportsmanlike conduct (zero tolerance) shall be assessed whenever a player:

1. Openly disputes or argues any decision by an official.
2. Uses obscene or vulgar language at any time, including any swearing, even if it is not directed at a particular person.
3. Visually demonstrates any sign of dissatisfaction with an official's decision.

Any time that a player persists in any of these actions, they shall be assessed a misconduct penalty. A game misconduct shall result if the player continues such action.

Coaches

A minor penalty for unsportsmanlike conduct (zero tolerance) shall be assessed whenever a coach:

1. Openly disputes or argues any decision by an official.
2. Uses obscene or vulgar language in a boisterous manner to anyone at any time.
3. Visually displays any sign of dissatisfaction with an official's decision including standing on the boards or standing in the bench doorway with the intent of inciting the officials, players or spectators.

Any time that a coach persists in any of these actions, he/she shall be assessed a game misconduct penalty.

Officials

Officials are required to conduct themselves in a businesslike, sportsmanlike, impartial and constructive manner at all times. The actions of an official must be above reproach. Actions such as "baiting" or inciting players or coaches are strictly prohibited. Officials are ambassadors of the game and must always conduct themselves with this responsibility in mind.

Parents/Spectators The game will be stopped by game officials when parents/spectators displaying inappropriate and disruptive behavior interfere with other spectators or the game. The game officials will identify violators to the coaches for the purpose of removing parents/spectators from the spectator's viewing and game area. Once removed, play will resume. Lost time will not be replaced and violators may be subject to further disciplinary action by the local governing body. This inappropriate and disruptive behavior shall include:

1. Use of obscene or vulgar language in a boisterous manner to anyone at any time.
2. Taunting of players, coaches, officials or other spectators by means of baiting, ridiculing, threat of physical violence or physical violence.
3. Throwing of any object in the spectators viewing area, players bench, penalty box or on ice surface, directed in any manner as to create a safety hazard.
