

Matt Knop

Chesterfield Hockey Association Board of Directors

I am proud to submit my candidacy for the CHA Board of Directors after many years of dedicated service to our club in a variety of leadership, operational, and coaching roles.

Throughout my time with CHA, I have had the opportunity to contribute at nearly every level of the organization. I currently serve as the club's **Board of Directors, Hockey Operations for Central States, U18, U16 and U15**. I have also held extensive responsibilities within **Hockey Operations**, supporting age levels from **8U through 18U**.

My involvement has been deeply rooted behind the bench as a coach. Over the years, I have coached players at **every age level**, giving me firsthand experience with the development needs of players throughout every stage of youth hockey.

I also had the privilege of serving on the Board during one of the most important periods in our club's history, our transition from **Hardees IcePlex**, to **Pacific Ice Rink**, and ultimately to our current home at the **Maryville University Hockey Center**. Being part of those pivotal decisions provided me with valuable experience in club governance, planning, and maintaining organizational stability during change.

My commitment to Chesterfield Hockey Association has always been centered on providing the best possible environment for our players, families, and coaches while helping position the club for long-term success. I look forward to the opportunity to continue serving our membership.
