

Mountain Select Device + Social Media Policy

As a member of a Mountain Select team, parent or player, I commit to taking the following steps when utilizing an electronic device that records sound or images:

- Be respectful: Avoid posting negative or harmful content about other players, coaches, officials, or spectators.
- Get consent: Don't post images or videos of others without their permission.
- Be positive: Encourage others to be positive on social media.
- Be aware of the permanence of online content: Anything posted online is permanent, even if it's deleted.
- Follow copyright laws: Be courteous and respect all copyright and protection laws.
- Consider the audience: Before posting, ask yourself if you would want to read the information or photo if you were a follower.
- Proofread: Check for typos or inaccurate / inappropriate information.
- Take ownership: You're responsible for how you use social media.
- Avoid public debates: Stay away from public debates or exchanges with individuals on social media platforms.
- Follow team rules: no recording devices, including phones, permitted to be powered on in a locker room.
- Be compliant: follow CAHA and WCHL league rules and those of my home association.
- Use common sense: in consideration of timing, volume, and content of all social media posts / communication
