Student Attendance Policy

De Smet wants its students to grow through experiences outside of school but maintain the De Smet Community (in-person, instruction on campus)

Attendance reviews at the end of each academic quarter – failure to meet required instruction time could result in academic penalties and the loss of academic credits as well as sports and activity eligibility

- No penalties until the semester ends
 - Students can miss up to 7 days for each academic class without penalty – total of 14 days per semester (A & B Class days)
 - Up to 30 days per school year
 - Since its launch, there's been a real shift in communication ahead of time
- De Smet is trying to balance the policy across all sports and all student activities
 - The De Smet Hockey Club wants to do our best to comply
 - It's critical that all families and students communicate with the school when a student will not be on campus
 - Be smart about your days out of school – limit your absenteeism – especially if you are in travel hockey
 - **PLAN AHEAD + COMMUNICATE WITH THE SCHOOL + KEEP YOUR GRADES UP**
