

**DE SMET JESUIT HOCKEY PROGRAM
LOANER JERSEY AGREEMENT
SEASON 2026-2027**

We acknowledge that the game jerseys we receive from the De Smet Jesuit Hockey Program are on a loaner and temporary basis.

We are aware that these jerseys are the property of the De Smet Jesuit Hockey Club. All jerseys must be returned at the end of the season, **no later than April 01, 2027.**

We also understand that these jerseys must be returned in the same condition in which they were received, and it is our responsibility to maintain the jerseys during the season.

If the jerseys are not returned or in reasonable condition by the deadline, we will incur a financial obligation to the De Smet Jesuit Hockey Club which is equal to the replacement cost of the jerseys. This cost is approximately \$140 per 1 jersey. Should this happen, and reimbursement is not made, it could prevent the player from playing hockey the following year for De Smet Jesuit.
